TURKISH BLACK SALVE.

UNDER THE PATRONAGE OF THE HONORABLE
 THE EAST INDIA COMPANY.

THIS SALVE, prepared from the original Re-
 ceipt procured from a celebrated Turkish
 Hakim, (physician) of Smyrna, in Asia Minor,
 and which has obtained an unprecedented ce-
 lebrity in Great Britain and the East Indies; from
 the astonishing Cures performed by it in both
 these countries, has lately been introduced into
 Montreal. As might be expected, its popularity
 has followed it, and its use is becoming general
 among all classes. The Proprietors, prompted
 by the very flattering reception it has met with
 in the Metropolis, have determined on extending
 its usefulness to all other parts of Canada; and
 for that purpose, have established Agencies in all
 the principal Cities. They flatter themselves
 that when its wonderful properties shall become
 more generally known, they will meet with that
 encouragement which the introduction of such a
 valuable medicament into a country, justly entitles
 them.—The contracted limits of an advertisement
 necessarily precludes their entering into any ad-
 equate detail of its merits, but, for the information
 of the public, they intend to publish, from time
 to time, such statements of cures as have or may
 occur, and for the present will content themselves
 with merely enumerating some of the complaints
 for which it has been used with the most complete
 success—Such as Swollen Glands, Broken
 Breasts, White Swellings, Whitlows, Scalds from
 Steamboat explosions, or other causes, Burns,
 Fever Sores, Scrofulous Sores Nipples, Carbun-
 cles, Scald Head, Gun-Shot Wounds, Bruises,
 Boils, Frostbites, Wens, Chilblains, Ulcerated
 and Common Sore, Throats, and Bunions. If
 used in time, it will prevent or cure Cancors, also,
 Swellings arising from a blow on the Breast,
 Ring Worm, Pains in the Back, Rheumatism,
 Gout, Pains, in the Chest, Palpitation of the Heart,
 Complaints in the Liver, Spine, Heart and Kid,
 Rushing of Blood to the Head, Swelled Face and
 Toothache. In fact, it is impossible to enu-
 merate half the complaints that have been cured by
 the application of this Salve. It is very portable—
 will keep in any climate, and requires little or no
 care in its application, as it may be spread with a
 brush on very tender parts, such as shampoos, for
 lichen, or brown paper.

PURE WINES
 AND
LIQUORS,
 FOR
 Medicinal Purposes,
 At the Office of the
Graefenberg Comp'y
 214 Broadway.

New York, April, 1850.

THE Graefenberg Company take pleasure in
 announcing to the public, that on account of the
 immense extent of their other branches of busi-
 ness, they have availed themselves of the services
 of Messrs. HOLBROOK & CO., for the con-
 ducting of this most important department—most
 important in the beneficial results which the com-
 munity derive from the certainty of obtaining
 under their seal and signature, a perfectly pure
 and reliable article for medicinal purposes.—
 During the short time in which we have been en-
 gaged in this business, we have had orders from
 all parts of the country for our pure wines and
 liquors, and reports from those purchasing have
 not only fully satisfied us that the public are con-
 vinced of the purity of our wines, but have given
 us the assurance that we shall take the same lead
 in this department, that our medicines have al-
 ready taken: a position when once attained,
 we feel, will, from our unsurpassed facilities,
 never retrograde. When we entered upon this
 branch of reform, at the solicitation of many of our
 friends and customers who had long suffered from
 the imposition of unprincipled dealers, we did so
 with the intention of devoting all our unequalled
 resources, both at home and abroad, for the
 faithful performance of our office. To do this,
 with full justice to the public, without whose
 candid and unbiased approbation, we seek to do
 nothing, we have sought out parties who can de-
 vote their whole attention to this department,
 and who are, from their business connexions, and
 foreign agencies, enabled to assure us that they
 can furnish the purest and best of wines, and
 liquors. We have placed this department in
 charge of Messrs. HOLBROOK & COMPANY,
 who will hereafter be found at our Office, and
 who will be pleased to give our own guarantee,
 as well as that of others, that the wines and
 liquors will be of the very purest quality. Their
 long acquaintance with, and their long experience
 in the business, together with their intimate con-
 nexion with the first exporting houses in Europe,
 have pointed them out to us as most reliable par-
 ties for the proper conducting of this branch of
 Graefenberg business. The liquors will be put
 forth with the Seal of the Company upon each
 bottle, and the labels will bear the written sig-
 nature of the Graefenberg's Secretary. NONE
 OTHER GENUINE.
