### Our Claims on Kola.

1. We introduced Kola commercially in America in 1881 (see New Idea, April, 1881).
2. We introduced the first palatable preparation of Kola in the form of Stearns' Kola Cordial in 1893.
3. We originated the first and only preparation of fresh (undried) Kola in 1894, when Kolavin was introduced.
4. We to-day are the only importers of fresh (undried) Kola from Africa.
5. We have done more scientific work on Kola than any other American house. (See our 80 page monograph issued last year, 1894).
6. We have done more by liberal advertising in the pharmaceutical and medical press to call Kola to the attention of these professions than all other houses combined.

THEREFORE, we consider ourselves headquarters for Kola and its preparations, and believe the professions will endorse our position.
