BIBLE CLASS

FOR S. S. TEACHERS,

Conducted by Mr. S. H. Blake,

EVERY SATURDAY,

AT 4.30 P.M.

Subject—INTERNATIONAL LESSON.

MOST ENCOURAGING.

URING the past month the attendance at our meetings for young men has been large and encouraging. The one held on Saturday evening is especially growing in favour with our members, and scarcely a meeting passes without the hearts of the workers being gladdened, as men go forth rejoicing to new life and new hopes through salvation accepted. Last Saturday evening there were 85 present, and four rose for prayers. At the Bible class on Monday evening the attendance was 51, the greatest number we have yet had.

RAMBLING CLUB.

OW that the Saturday half-holiday enables so many of our members to have a little time for healthful recreation and enjoyment, and heartily approving of all lawful means being used to promote the physical welfare of young men, we have this week formed our Members' Rambling Club; have elected officers and planned out some routes to be taken on the Saturday afternoons of this month. On next Saturday, June 13th, Mr. Gairas

I will hold thine hand, and will keep thee.
