It is said that Captain Adolphus Slade, Royal Navy, has been ordered to proceed immediately to Constanting-ple, and place himself in communication with the British Ambassador, relative to the question pending between the

HER MAJESTT'S PARTIALITY TO SCOTLARD. - On the authority of those who happened he he person, we may A person named Jacob Nell, residing in record, as a token of Her Majesty's partiality for the land the Township of York, murdered his write on Saturday last of the mountain and the flood, that the Queen exclaimed in a warron on their return from Toronto. Nell has been to one of the gentlemen at Capar Angus, "I regret to commuted to got on the Consum warrant, leave dear Scotland!"—Edinb. Economy Prot. STREETSVILLE GRAMMAR SCOT

The Imperial Parliament has been prorogued to Tues-

Two public meetings to protest against Sanday labour at the Post-office were held on Monday, one at Willis' Rooms, presided over by the Lord Bishop of London, the standard the Freemasons' Tavern. Lord Ashley in the chair. Similar meetings have been held in various parts of the metropolis. A deputation, headed by the Bishop of Lundon, waited on Lord John Russell on Thursday, in reference to the subject. His Lordship returned Pilate's answer.—

Lord Rall Conden 15.

The abstract of the Revenue for the quarter ending October 10, 1849, has been published; it shows an in-crease of £251.384 on the quarter, and £335,571 on the year.

Lord Palmerston has addressed an energetic remon-

strance to the Russian Cabinet on the extradition question. Copies of the document have been sommunicated to the principal European courts.—Ibid.

Mr. George Edward Annia, keeper of Her Majesty's Privy Purse, died anddenly, at Needwood, in Staffordahire 15th October.

Conciliation-half has been re-opened as a prany show. The exhibition consisted of specimens of the well-known fastian, and the exaction of a penny admission money, as an "instalment of repeal rent, showed there was an eve to

THE GRACELESS COINAGE.-A report is pretty gen fally current that the new firin pieces are about to be withdrawn from circulation. We trust the report is true, and that the Papintical Master of the Mint will be foiled in the insidious attempt which - under the inspiration of his Jesuit confessor, we presume -he made, to filch from his Royal Mistress Her two fairest titles, that which constitutes Her "Defender of the Faith," and that which secures to Her the allegiance of Her subjects on the highest and fraces of all grounds, that of Her reigning "By the Grace of God."

THE BISHOP OF HONG KONG.—The Bishop of Victoria is expected to sail for his diocess in China in the ship Sir George Pollock, about the end of the present month, - (Oc-

THE LATE BIRMOP OF NORWICH .- The authorities of Norwich have commenced a subscription for a monument to the memory of Bishop Stanley.

POSTMUMOUS PATRONAGE.-It is reported that a letter was found among the papers of the late Bishop of Norwich, written apparently just before his death, to Lord John Russell, requesting his Lordship to give a living to the Rev. T. Clowes. The letter having been forwarded Mr. Cloves was on Thursday presented to a Crown living by the Lord Chancellor.

THE DEARENT OF CARLINGE.-The Deanery of Car lisle, vacant by the promotion of Dr. Hinds to the Sec of Norwich, has, it is said, been offered to the Rev. A. P. Stanely, son of the late Bishop of Norwich, and declined by him.

POVERTY OF THE IRISH. CLERGY .- The Clove Journ states that the Rev F. Studdert has resigned the living of Corofin, on account of its poverty; the income amounting to no more than 160L, three-fourths of which has been absorbed in poor-rates, and the remaining 40t was insufficient to defray other public expenses connected with the appointment, leaving to the incumbent a balance of less than nothing. Another Clergyman was offered the preferment, but declined it.

ATTACK UPON THE PROPERTY OF THE ISSUE CHURCH. The Kilkensy Journal has an article headed, "Movement for Church Reform," in which the following passage or Church Resons, in which the solvering passage occurs:—"At the conference of the Roman Cutbolic Clergy of this diocese, on Monday, Tuesday, and Wednesday, the Right Rev. Dr. Walsh brought the question under the notice of his brethren, and recommended thous. under the notice of me preturen, and recommended them, each in his own parish, to have petitions prepared for signature, praying for a portion of the Protestant Cherch revenues, where they are supersbundent, for the use and benefit of the Catholics, where their resources are limited.

BRITISH AMERICAN LEAGUE. FIFTH DAY .-- WEDNESDAY.

The Committee appointed to consider what alterations is The Committee appointed to consider want attentions in the Constitution were necessary in consequence of the re-moval of the Scat of Government, reported in favour of in-creasing the Executive Committee to twenty, and to give authority to the Convention to supply vecancies. They sta-ted that accord of the officers resident in Montreal had resigned; and added their opinion, which they believed to be that of the Convention, that the Hon. George Moffatt should be requested to remain as President of the League.

The report was received; and a resolution to supply va-cancies was adopted, and a committee appointed to prepare a list of names for such vacancies. Another resolution, requiring Delegates to produce certificates of their election, was also adopted.

A resolution, fixing the number of Delegates to be sent For each Branch of 100 members, one Delegate.

4 4 4 500 4 two 4 three 4 4 4 1000 4 fear 4 And for every additional thousand members, one Delegate

Mr. Mark moved the following resolution, which was seconded by Mr. A. J. MacDouell, and carried nem. disc. "That the continued presence of Lord Elgin as Govenn-General of Canada, is injurious to the interests of the people of this Province, and calculated to undermine the legalty of Her Majesty's subjects."

The Committee on Appointments reported the following gentlemen to fill the several vacancies, viz:

J. W . Gamble, Esquire, usa Vice-President, in place of

J. W. Gamble, Esquire, as A Vice-President, in place of the Hon. W. Allen.
George Benjamin, Esq., as Vice-President, in place of the Hon. W. Morris,
Hugh Scobie, Esq., Toronto; George Rykert, Esq., St. Catharines; S. Mackechnie, Esq., Cobourg; Captain Boyd, Youge-street; Benjamin Switzer, Esq., Streetsville: to fill vacancies in the Executive Committee. The additional names recommended to make up the increased number of tuventy, were as tellows:—Dr. Hamilton, Dundas; Thomas Brunskill, Esq., George P. Ridout, Esq., Lewis Moffatt, Esq., and J. G. Bowes, Esq., Toronto; A. C. Hamilton, St. Catharines; John O. Hatt, Esq., Hamilton: F. Neale, Esq., York Township; Jas. Browne, and P. M. Vaaksughnet, Esquires, Toronto.

York Township; Jan. Browne, and P. M. Vankaughnet, Esquires, Toronto.
Corresponding Secretary—S. Thompson, Esq., Recording Secretary—R. Cooper, Esq., Treasurer—John Duggan, Esq., All which appointments were confirmed.
It was then moved by Mr. Rerres, seconded by Mr. Nesle, and carried:—That the thanks of this Convention be given to Measrs. W. G. Mack, as Corresponding Secretary; J. H. Isaacaon, as Recording Secretary, and H. E. Montgomerie, as Treasurer, for their past services, in their respective capacities.

A vote of thanks to the Chairman, the Honble. George Moffatt, for his urbanity and dignified department in the Chair, was carried by acclassation. Mr. Moffatt returned thanks, declaring that the task of preserving order had been an easy and agreeable one, by the evident desire of the gentlemen of the Convention to conduct all their proceedings with propriety and decorum.

with propriety and decorum.

A resolution of thanks to the Mayor and Corporation for the use of the City Hall, was put and carried.

Mr. Langton, then moved, assessed by Mr. Gamble:—

"Whereas, a difference has arisen in this Convention upon whereas, a discrence measures in this Convention upon the quantion of elective instinations, and, whereas the ma-jority of the members present have declared that the Legis-lative Council should continue to be appointed by the Crown, subject to limitation as to number, and not be elected by the people as contended for by the minority, and this Convention having disposed of the other business brought before it. Be it therefore resolved, that this Convention be now adjourned to a day to be hereafter named by the Central Committee with a view to the several branches of the British America League pronouncing their opinion, and instructing their de-legates upon the question of the concession of elective insti-tutions to Canada, as an appending to the British Crown, and that the several branches do make a return to the Secre-tary of the Central Society, Toronto, of the delegates whom

they may appoint, on or before the 1st day of January next.

The motion was carried unanimously, and the Convention

EXECUTION. - Yesterday, Joseph Smith, EXECUTION. — Yesterday, Joseph Smith, who was convicted at the late Ansiss of the marder of his fellow soldier, suffered the extreme sentence of the law at the usual place of execution. We understand that the unfortunate man conducted himself during his incarceration with the atmost propriety, paying marked attention to the instructions of his spiritual advisors—and fully admitting the justice of his down. A few minutes after ten o'clock. Smith appeared upon the platform attended by the Rev. H. J. (Grasert, and the necessary preparations having been made, the drop fell, and the unhappy man some cented to exist. Our reporter informs us that the crowd was very great, and that one fourth at least were females! Alias! that the gentle are (so called) should thus degrade. Also! that the gentle sex (so called) should thus degrade themselves beneath the standard of humanity, by glusting upon the dying agonies of a bound and trembling fellow

[Mr. Davis has been appointed to this School. En. Cu.] Simcon District.

We understand that it is in contemplation to hold a public meeting in Barrie, about the time of the Quarter Sessions, on the subject of the Railway. Several gentlemen from Toronto are expected to be present. A contienen, recently returned from England, and who has had an opportunity of witnessing the effects of railways upon the agricultural interests, is also expected to attend .- Berri

Ningara District. A Protest to the Annexation Manifesto has been got up in Ningara signed by 230.

GRIMORY BRANCE OF THE BETTING AMERICAN LEAGUE. The following declaration was ananimously adopted at The sollowing occarration was ananimously adopted at the last meeting of the Branch, and is deserving of the widest publicity:

Marsan, one of the objects of the formation of the British American League? was to preserve invividue the

privileges Canadians enjoy as Subjects of Her who wields Montreal which contains treasonable and seditious assertions of the expediency of Canadians repudiating their allegiance as British subjects; and seeking admission into the Republic of the United States of America; and whereas

Therefore be it now Resolved, - That instructions be given to the Representatives of this Branch of the British American League to express their abhorvence of the principles enunciated in the document put forth in Montreal, already adverted to, and to assure the Members of the General Convention, that the Members of this Branch are fully determined, by the help of Gud, by whom "Nations and Empires ruse and fall, flourish and decay," to tread in and Empires race and fall, flourish and decay," to tread in the paths of their forefathers, and to stand by the ra.a. which has braved the battle and the breezs, so long as it shell please Him to permit them to exist.—That they utterly repudiate as offensive to God and man the spacious fallacy that a man is justified from capricious, or any other mo-tives, in abjuring his country, and alienating the strength of his right arm from the defence of his native land, or any part of the Giorious and Mighty Empire of which it is their privilege to form a part. s their privilege to form a part. J. B. Parrit, V. P.

The sentence of death, passed at the last Assisse, in Ningara, on a man named Thomas Dalton for Rape, has been changed to confinement for life in the Provincial Penisontiary.

Sixty-two vessels passed through the Welland Canal the week ending 6th Nov. A dividend of £2 10s. on the paid up stock

of the Ningara Suspension Bridge has been declared for quarter ending the 16th October. LAKE ERIE NEW LIGHT HOUSE .- On and after the sixth day of November inst., a Revolving Light will be exhibited, from smoot to sunrise, on Mohawk Island. According to Bayfield's Chart, this Island bears nearly West from Point Abino—N. E. ¶ N. from Long Point; and S. E. by E. from the mouth of the Grand River, from which it is distant about three miles. The Light will stand about ac-venty feet above the level of the Lake, and will revolve smaahly, nessenting a full and nowerful light to the Lake

The sentence of death passed upon Lewis Miles, for 'rape' has been commuted to imi

ding the mountain near Hamilton. It appears he saked used in consection was a decection of Sarmaparilla, which some of his companions to hand him down his gan, which his companions to hand him down his gan, which his companions to hand him down his gan, which his companions to hand him down his gan, which his companions are more to make the same of the same to the same of the his comrades were at a little distance, it west off—the prigger no doubt having caught in the brush—ledging the contents in the breast of the deceased. He immediately exclaimed," I am shot, Oh Lord have mercy on me," and

Gone District Council.-This body met, for the last time, on Thursday afternoon, for the purpose of flaishing up the business, and preparing the way for the new Act. A long debate on Annexation took place duror Saishing up the basiness, and preparing the way for the
new Act. A long debate on Annexation took place durling the sitting, but the Council were perfectly anasimous
it opposing it. A number of geurlemen were inclined to
trust the Mantreal Manifesto with contempt, but the majosity were of opinion that as the parties pretended to
opeak for the Prevince, instead of their own locality, that
their conduct deserved to be exposed and condemned.
The following Address was family adopted by acciamation. "We, the Wardon and Councillors of the Manieipal
Canacil of the District of Gore, in Council Assembled,
having seem a document learned from or by a portion of the
inhabitants of the City of Montreal, advocating the separnion of Her Majesty's North American Provinces from
their connection with the Perent Sate, would embrace
the present opportunity of repudiating in the strongust
manner the destrines and views proposabed thereby.
We feel it our daty, representing as we do the inhabitants
of this leyal District, to express our determination to oppone, by all means in our power, any movement of each
a Traitorous tendency. Her Majesty's Government having
connected to us the estire management of our local affairs, and all the blessings of British Constitutional Goveroment, we desire no more, are one we imagine that mirs, and all the blessings of British Constitutional Government, we desire no more, nor on we imagine that Americalism to the adjoining Republic will have any tendency to remove any or all of the evils, of what hind never, real or imaginary, under which these Provinces at present labour. — Specialer.

Wellington Dietrict. ATTEMPT AT MURDER AND ROBBERY.-On Monday night last, one of the most determined and reck-less attempts at murder that ever occurred in the Western Country, took place in the neighbourhood of New Hope, in the township of Waterloo. The particulars are as follows: The news of this deeadtal affair untortunately did not reach the Magistrates till Thursday morning, when warrants were immediately issued for the apprehension of McCormick and Flynn, one of when had in the meantime confessed to a Flynn, one of whom had in the mountains confessed to a neighbour that he assisted in the attempted murder and robbery, excusing himself for his brutality by saying "They had done for a d---d Orangeman." We tagret to say both the meh are yet at large, although a number of constables, are in pursuit of them, one of whom was within twenty yards of Flynn yesterday, but the fellow fied auto a swamp and escaped. The other, McCormick, is supposed to be making for the States, and constables went after him last night in that direction.—Gall Reporter.

Talbet Dietrict. The Annual Agricultural Fair for the Dis-The Annual Agricultural Fair for the District was held on the 11th instant. The quality and number of Horses exhibited was vastly supernor to last year, and fully equal to what might be expected from the mure populous Districts. In domestic manufactures very perceptible improvement was discovered; and what is more esperially gratifying, it was observed that Female Industry has displayed itself in new channels.—As an instance of this, a Straw Bount (probably the first home-made one in the District) was exhibited. The display of mots, although not large, has given occular demonstration, that the sed of this District is capable of producing as time Tornips. Carrots, Mangel Wutzel, Potatoes, Onions, and Ceiery, as say part of the Province, and perhaps of the Continent of America. of the Province, and perhaps of the Continent of America.

TOWNSEND AGRICULTURAL FAIR .- Three

ity. The Horses proved worthy of the Encomium recently passed, by an illustrious visitor, as characterising the norful animals of that species, that he saw when pussing through our District. The Cuttle of all classes, were not only asserting the reconsted principally of animals of improved breeding. The sheep were remarkably good those; of Mesara Jan. Best, O. Blake and Gesting nersy measuring these areas of Me Blake. passing through our Diputation passing through our Diputation with a mercinal and improved breeding. The sheep were remarkably good those: of Messrs. Jas. Besl. (). Blake and a Gening, were unusually fore; a ram of Mr Blake's, a weighed alive the moving of the Shoo, was said to be upwards of 2000s. Nor was the display of Hogs at all behind the samples of perfection exhibited in other sailings and a Pig shown by Mr. J. R.Carpenter, exceeded in size and condition, the most extraordinary accounts of mammoth Poekers. The whost and roots where very superior.

The farm implements shown, reflected great credit on their manufacturers. The domestic manufactures were required to the manufacture of the J. O'Benne, Untake.

The Land comprises an area of them 1816 square best said to subject to the large of the properties of the proper
