A Francisco Comment

Why is a young lady with a neat head of hair likely to take an affectionate leave of you?-Because she knows how to make a nice parting.

If a disagreeable fellow insists on sharing your house with you, take the inside for your share, and give him the outside.

It is useless to bid young men and women bear bravely up; they are always losing heart.

TROPICAL SKIN DISEASES .- In hot climates the skin stimulated to excessive action, and an almost infinite variety of cutaneous and dermal distempera are the results. Prurigo, or constant external itching, without much apparent inflammation, spotted aone, caused by sluggishness of the skin, scaly eruptions, pustulous pimples, pemphigas, or water pimples, Roseola or false measles, crusted tetter, and rashes of almost every stade, from light pink to the deepest crimson, may be mentioned among the number. These, with all other external eruptions caused by heat, are safely and speedily removed by BRIS-TOL'S SARSAPARILLA, the most wholesome of all vegetable detergents. In all skin diseases, the bowels should be kept laxative by using BRISTOL'S VEGETABLE PILLS at the same time as the Sarsa-

BLISSFUL IGNORANCE. -- According to the late Sir Astley Cooper, no man ought know, from any physical sensation, that he has a stomach. Let those who are daily reminded of the existence of the organ, by pain, and all the concomitants of dyspepsin-whose stomach digest slowly, imperfectly, and with sensations which pen cannot describe, whose whole system do penance under the inflictions of the rebel lious member -- try, merely try, BRISTOL'S SUGAR COATED PILLS. As surely as they do so, their living martyrdom will be speedily exchanged for They will forget that they have stomachs, save when the appetite, created by this genial stomachic cathartic reminds them that the reinvigorated organ requires a supply of sustenance. There will be no more oppression after eating, pain in the right side, nightmare, or constipation. The cures effected by this pure and incomparable vegetable alterative are complete and radical.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARIL-LA should be used in connection with the Pills.

The following is an extract from a letter written by the Rev. O. Z. Weizer, to the German Reformed Messenger, at Chambersburg, Penn .:-

#### A BENDFACTRESS.

Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it' -nothing less. Away with your 'Cordial,' 'Pare. goric,' 'Drops,' 'Laudanum,' and every other ' Nar cotic,' by which the babe is drugged into stupidity, and rendered dull and idiotic for life.

WHAT DID IT! - A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, ruby complexion, of almost marble smoothness; and in stead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents. SARATOGA SPRING WATER, sold by all Drug gíata.
