Never Failing Remedy! HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thompson, Chemist Liver pool, dated August 20th 1852.

To Professor Holloway,

DRAR SIR,-I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About ten years ago, Mr. Wm. Cummins, of Saltney Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly ten years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with re newed health and vigour.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper of Keady near Gainsbro', dated March 1st., 1852.

To Professor Holloway,

Sin,-Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Untment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared. and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines, she would have been saved also. I shall be happy to testify the truth Pthis to any enquirer.

ANOTHER SURPRISING CURE OF ULCE-RATED BAD LEGS, DEBILITY AND GENERAL ILL HEALTH.

Copy of a Letter from Mr. J. M. Clennell, of Newcastle-on-Tyne, dated Sept. 20th, 1852.

To Professor Holloway,

DEAR SIR.-I am authorised by Mrs. Gibbon, of 31, Bailey Street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill health. accompanied with a disordered stomach, and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or runing sores, in both her legs, so that she was totally incapable of doing her usual work .-In this distressing condition she adoped the use of your Pills and Ointment, and she states, that in a wonderful short time, they effected a perfect cure of her legs, and restored her condition to health and strength; and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.

I remain, dear Sir, yours faithfully,

JOHN M. CLENNELL.

CERTAIN REDEDY FOR SCORBUTIC HU MOUR AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF A B

OF A BAD LEG. Copy of a Letter from Messrs. Walker & Co., Chemists, Bath.

To Professor Holloway,

DEAR Str. - Among the numerous cures effected by the use of your valuable medicines in this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being about 70 years of age. We shall he happy to satify any enqui-

ease, either personally or by letter-A private in the Bath Police Force, also, has been perfectly cured of an old scorbutic affection

in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, dear Sir, yours faithfully,

(Signed) April 6th, 1862.

United States Hotel, Saratoga Springs, July 5, 1849.
Dr. J. C. Ayer,—Sir: I have been afflicted with a pain ful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "Cherry Pretoral," which 'gave' me gradial relief, and I have been steadily gaining my strength'fill my health is well nigh restored.

While using your medicine, I had the gratification of curing with it my reverend friend, hir. Traiman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis.

I have the pleasure in certifying these facts to you.

And am, sir, yours respectfully.

Chrater, Pa., Aug. 22, 1846.

J. C. Ayer,—Sir: I was taken with a terrible cough brought on by a cold, in the beginning of last February and was confined to my bed more than two months' Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly failing, and in such distress for hreath, that but little hope of my recovery could be entertained. While in this situation, a friend of mine, (the Rev. John Leller, of the Methodist church) brought me a bottle of your Cherry Pectoral, which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months' I am well and strong, and can attribute my cure only te your great medicine.
