"The most charming letters that ever were printed."—*London Daily News.*

LETTERS OF THACKERAY

1847-1855. With Portraits and Reproductions of Letters and Drawings.

1 VOL. 8vo. CLOTH, GILT TOP, - \$2.50.

The announcement of the appearance of this collection of letters in permanent book-form, after their remarkably successful publication in *Scribner's Magazine*, has been received by the best critics of America and Europe as an event well nigh unprecedented in interest and importance in the literary world.

"These letters come to us as they came fresh from Thackeray's pen, retaining all their wondrous charm and their exquisite fragrance. It is impossible to give a complete idea of their charm, of the wide range which they take, and of how the man stands revealed in every line. Bubbling humour, delightful personal gossip, impressions of people and places, and words of kindness for all are seen in them; but beneath all this there is an undercurrent of philosophy, not harsh nor grating, but sweet and tender, and a complete revelation of the writer's inner nature. They cannot but delight every lover of Thackeray, while above and beyond this they form one of the sweetest as well as one of the most notable contributions to modern English literature."—*Philadelphia Record.*

"A book of very delicate and delightful genius." *G. W. S., in N. Y. Tribune.*

Robert Louis Stevens n's
UNDERWOODS.

"With this book Mr. Stevenson enrolls himself among our serious verse-writers. His place in poetry, as in literature at large, will be a place apart. Just what he does, no one else can do. As a prose-writer, as a tale-teller, and now as a poet he stands alone."—*Pall Mall Gazette.*

"We shall wait many a long day before finding verse so vigorous in their meaning and so charming in their expression as these poems by Mr. Stevenson. . . . His poetry has the same charm of language as his prose, with no loss of vigour under the exigencies of music."—*Brooklyn Times.*

"His poetry is simple and sweet, straightforward and clear, and, as Pepys would say, mighty pleasant."—*Boston Transcript.*

"The book will add one more distinction to the name of a supreme literary artist, much of whose work is lasting."—*Boston Advertiser.*

1 VOL. 12mo. GILT TOP, \$1.

"Of the value and interest of these letters it is almost impossible to speak too highly, while the appearance of Mr. James Russell Lowell's name in connection with the editing is a guarantee that this important part of the undertaking has been well and unobtrusively performed."—*London Athenaeum.*

"The letters are worthy to rank, on purely literary grounds, with the most famous letters in the English language, and are a precious revelation and record of the tender feelings, the trueheartedness, and the reverent nature of their great writer."—*Richard Henry Stoddart, in N. Y. Mail and Express.*

FRANK R. STOCKTON.
A NEW VOLUME OF TALES, AND
A UNIFORM EDITION.

THE BEE-MAN OF ORN

And other Fanciful Tales.

12mo, Gilt Top, \$1.25.

"There is no American story-teller with whom Mr. Stockton can be compared, and we are more than ever convinced of this fact since reading this last book of stories. Each story possesses a charm of invention, of grotesqueness, of surprise, of humour, or a blending of all these qualities peculiar in itself."—*R. H. Stoddart, in N. Y. Mail and Express.*

Also, in new and cheaper editions,

The Late Mrs. Null. Rudder Grange.

Uniform with the above,

The Lady, or the Tiger; and other Stories.
The Christmas Wreck; and other Stories.

The set, five volumes in a box, \$6.25.
Singly, \$1.25 each.
