

POINT PELEE PARK.

The areas being added to the Point Pelee Park comprise:

(a) Part of a number of squatters' holdings which the Department purchased from the estate of Joseph W. Post, together with some adjoining lands, the title to which was in the Crown in the right of the Dominion but which were not included in the Park;

(b) Two lots in a subdivision of Lot One of the squatters' holdings which the Department acquired at a tax sale;

(c) With the formal consent of the local municipality, the Department expropriated the roads inside the Park boundaries.

The total area of the parcels being added to the Park consists of 255.03 acres. The total area of the Park is 3,869 acres, including the additions.
