

December 4th. 1929.

Sir Arthur W. Currie,
Principal and Vice-Chancellor
McGill University,
Montreal.

My Dear Sir Arthur Currie:-

I was very pleased to receive your letter of Nov. 28th. regarding procedure necessary to secure speakers for the Ottawa Valley Graduates' Society. I was of the opinion that the Society should always consult Col. Bovey. Other members of our Society were of the same opinion.

Col. Bovey has been very kind and considerate any time we called on him for advice, and this Spring he gave a splendid address at our annual dinner, which was very much appreciated by all of us. I am quite sure every member of our Society feels very grateful to Col. Bovey for the interest he has taken in our behalf. When this subject was discussed there was no intention of any criticism from me.

We are all very grateful to you for arranging with Mr. Beatty to deliver an address at our luncheon, it was a great success, over two hundred being present and nearly all graduates of McGill.

With kind regards,

Very faithfully.
