ASSOCIATION OF INTERNATIONAL PATENTEES

Dear Mr. Beatty,-

Supplementing my letter of the 1st instant, and in reply to yours of the 24th ultimo, exhaustive enquiry fails to reveal any information whatever regarding the Association of International Patentees.

They are not known to any of the more important firms of patent lawyers of whom I have enquired. Bradstreet's know nothing about them either, and in the absence of information, I would recommend that you advise your enquirer to give these people a wide berth.

Firms of so-called "patent experts" are rather a mushroom growth here and many of them vanish as rapidly as they appear.
