

OFFICE OF THE DEAN

McGILL UNIVERSITY
FACULTY OF DENTISTRY

MONTREAL, February 10th, 1927.

Sir Arthur W. Currie,
Principal,
McGill University.

Dear Sir Arthur:-

I felt very grateful indeed when I learned that his honour the Lieutenant-Governor, had offered to present one silver, and one bronze medal to be competed for by the students of the Faculty of Dentistry.

The method of awarding these medals will be determined upon in the very near future. It is very desirable that all teachers and demonstrators, connected with the Faculty, should have a chance of impressing themselves regarding these medals, and the conditions which will govern the granting of them.

I am, Sir,

Very truly yours,

A. W. Thorburn
Dean.
