## REVENUE BILL TO BE PREPARED

Board of Control Will Hold Special Meeting This Afternoon.

The board of control will have a special meeting this afternoon to prepare the additional revenue bill. It is to be submitted to the council next Monday.

Controller McCarthy gathered nearly all of the data for the bill, and while doing so found that much of what is additional revenues in other cities is offset by Toronto's business tax.

The board has decided that some services that are now given without cost to citizens should supply the additional
