> MONTREAL April 4-A brisk denand for Iron was the feature on the ocal stock exchange today. Upwards of 1600 shares were taken on an advance that carried the price from 32 to 32 3-4, and the market closed at the high of the day, a net gain of 3 1-2 points. The buying was in anticipation of a budget announcement on Monday favorable to the steel com-

panies. Laurentide, which rose 1-4 to 188, and Laurentide, which rose 1-4 to 188, and Cement which again sold at 81, were the firmer stocks in the balance of the list. Brazilian, C. P. R. and Power closed a dull morning at levels below the closing range of Friday. Brazilian at 82 showed a net loss of 1-4, and stock was offering at 81 7-8 at the close. C.P.R. sold at 206 1-2, a decline of 3-4, and finished only slightly better at 206 5-8 bid. Power was inactive with final bid at 224, shewing a recession of one-half. Richelieu sold at 102 1-4 against 103 on Friday, but closed unchanged at 102 1-2 bid. 102 3-4 asked.

Talk of the possibility of assistance for the steel industry furnished the only incentive for the upturn, but it was noticeable that themovement took in only Dominion Steel. Nova Scotia was inactive and bid price of 72 1-2 at the close was one lower than on Friday. Steel of Canada common, however, while also inactive, was quoted 3-4 higher at 17 3-4 bid.

The frontier gendarmerie have been instructed to exercise the utmost lenisercy in the examination of the passports of young men intert upon reaching America, even the military service has not been performed.

It is estimated that the permal emigration from Galicia has more than doubled this year.

The negotiations recently initiated by the ministry of commerce with the Austro-American and German shipping companies, with a view to drafting new regulations respecting emigration from Austria have been successfully concluded. It is understood that several shipping companies will adhere to the agreement that has been reached, so that the new combination at an early date will include most of the shipping companies which are permitted to do business.

After they had returned the bills and departed, he found he had \$11 less. The women, who had boarded a car for Beachville were then arrested. A stormy scene ensued in court Saturday, when the fine of \$25 was imposed on each of them in addition to their being ordered to return the stolen money.
