It's "Three and a Tiger"
that we feel like when we
look carefully into the
perfections of Semi-ready
Clothes.

This season the models
will arouse your enthusiasm
just as they have ours.

High-class tailoring, with
the full purpose behind of
satisfying you—are some
of the minor causes behind
the huge growth of the
"Semi-ready" way of to-
day in tailoring.

Remember—it is tailoring
—and tailoring "better
than the best tailor's best"
—at savings which accrue
to organization and system.

O'Keefe's PILSENER LAGER
"The Light Beer in the Light Bottle"
Is Far Better Than The Government Regulation Requires
The Canadian Government regulation, regarding the brewing of lager, is probably the most exacting in the world. It calls for a brew of Hops, Malt and Water only. The American Government places no such restrictions on her brewers. O'Keefe's "Pilsener" not only complies with the Canadian Government regulations—but is brewed of the very finest Hops and Malt, and pure filtered Water.
