Adjustable Shade Holder 40c

A new device for attaching the shade to the window frame; strong, reliable and easy to adjust with brackets for curtain pole. Shade and curtain move up or down with window, thus leaving a clear space when the window is down, allowing the room to be well filled with fresh air in a few moments.

Office buildings, etc., troubled with the sun, workshops, factories, etc., will find this fixture most useful, gives shade from the sun's rays, and yet leaves a clear draft at top for the air. Very special value. pair40

FINE QUALITY OPAQUE SHADE, COMPLETE FOR 39c.
