MARYLAND RACING CLOSES AT BOWIE

Fountain Fay Wins Military
Purse, Army Officers Up,
on Get-Away Day.

Baltimore, Dec. 1.—The Maryland racing season of 1918 was brought to a close at Bowie this afternoon with the running of an attractive eight-event program. The Prince George military purse, in which army officers had mounted the steeplechase feature. The event attracted widespread interest, both in military and civilian circles, and its running was one of the real interesting events of the Maryland season.

The race, which was at a mile and Malice, 100 Numbo Jumbo, 107 Time, 115 to 1. Leont, White, a Virginian well-known in hunt circles in his native state. Leont, White rode a perfect race and was well deserving the victory and the beautiful silver trophy that went with it.

The meeting just closed has been the most successful the Bowie track has ever experienced. Increased patronage, better weather and a greater volume of spectators by far than has ever been reported on have caused Manager James F. O'Hara much gratification. With a return of normal pre-war traffic conditions, Bowie may look forward to continued prosperity.

Boston, Mass., Nov. 30.—Clifton Horne of the Rochester Club won the New England cross country championship, to-day over the Franklin Park course, covering the six miles in 35 minutes, 20 seconds. He was 300 yards ahead of Frank Kahol, an Indian distance runner from the Camp Edgar Naval Camp. For the team championship New Hampshire College defeated Massachusetts Institute of Technology by a score of 43 to 47. Massachusetts Agricultural College finished third and Camp Edgar fourth. There were 31 starters.

GALT BEAT HESPER.
Galt, Dec. 1.—The Galt soccer team, practically won the Intermediate W. F. A. series Saturday afternoon when they defeated their closest rival, Hesper, at Dickson Park, in the closest game of the series 2 to 1. Galt has now won four straight games, and with only two more games to play, look like sure winners.

TAFT GRACEFULLY DROPS OUT.
Dayton, O., Nov. 30.—In discussing the request on the part of Mr. Hemphstead and Mr. Prasse that he become a permanent tribunal to settle baseball disputes, former President William H. Taft said here today: "I was asked to arbitrate a certain dispute as to the legality of certain exemption of baseball contracts, and I was glad to be of service in this capacity. However, when the matter of becoming a permanent tribunal is suggested, I do not even think seriously of it."

Mr. Taft left here this afternoon for Oxford, where he will speak tonight, and then go to Cincinnati.
