 spuns, Palm Beach Cloths,
 Tropical Worsteds, Summer

 three-button styles, with soft rolling peak or notched lapels. Trousers have cuff, belt loops

Get a Bicycle!

Think of the exhilaration
 of a trip to the country on a
 bicycle! Up and down hills,
 through villages you have
 never seen before, past
 beautiful fields, through the
 woods, and, best of all, to
 rest under a shady tree or by
 a "bubbling brook" or a
 lovely little creek, and partake
 of the welcome lunch.

If artistically inclined,
 think of the wealth of ma-
 terial for inspiration—the
 quaint farm cottages, the
 ravines, the woods, and
 you're there in no time on a
 "wheel," setting up your easel and
 sketching to your heart's content.

Think of what it was like last year when the fellows all took
 their wheels on a Saturday afternoon and went far out into the
 country to the swimming hole, while those without a wheel were left
 at home to roam around and wish for a bicycle.

Then on a week day what a relief to be independent of street
 cars, with a bicycle to carry you to and from work. Think of the
 car fares. There's a saving of time and money. And the bicycle
 of today is the acme of comfort and easy riding. No bumps—the
 new springy saddle accounts for that.

The new model of the Road King is especially suited for city
 work. It is light, yet very strong, and will stand no end of hard
 usage. It is fitted with studded tires guaranteed for two years,
 extension handle bars, roller chain, three-coil saddle, steel mud
 guards and a guaranteed coaster brake. These machines are guar-
 anteed for one year. They're assembled in our own workroom, and
 we recommend them. The price is \$37.50.

Equally well suited for city work, but better suited for work on
 the rough country roads, is our Speedwell Truss Frame Model. The
 double cross bar and truss fork give added strength to this model.
 The frame is enamelled black, with a gilt stripe. The mud-guards are
 of the motorcycle type with drop sides. It is fitted with the well-
 known Kelly handle-bars and leather grips, a high-grade roller chain,
 an easy-riding, three-coil saddle, Dunlop Traction-Tread tires and an
 Eadie coaster brake. This bicycle is also equipped with a tool-bag
 containing wrench, oil can and a repair outfit. The price is \$50.00.

On the Fifth Floor There's a Most Extensive Selection of Fishing Supplies

There one may choose a moderately-priced outfit for the boy
 who fishes in the creek, or for the man who angles in the most
 exclusive of fishing streams.

For the boy are Bamboo Rods, 9 feet long. Priced at 35c.
 Hooks are 15c box; with catgut 18c half-dozen.

Other Bamboo Rods are priced at 85c and \$1.25.

A 50-foot Linen Line is priced at 25c.

A Silkline Line, same length, is priced at 50c.

"Bristol" Steel Rods, for bait casting fly or trout. Price, \$5.00,
 \$10.00, \$15.00, \$30.00.

English Green Hart Casting Rods, priced at \$5.00, \$12.00,
 \$18.00 or \$25.00—according to quality.

Pack Sacks of 12-oz. brown canvas, with shoulder straps and
 two compartments. Priced at \$3.25.

An Enamel Silk Line, pliable and durable and a splendid long
 distance fly line; 25 yards, 75c.

An Italian Enamelled Silk Line, with a smooth glossy finish,
 black and green; 25 yards, \$1.00.

An Anti-back-lash Casting Reel, which eliminates the need of
 thumbing the spool when bait-casting. Each, \$12.00.

A "Gold Bowl" Bait or Spoon, the upper part of which is
 nickel finished. Each, 50c.

Trout flies tied on silk worm gut, with double loops, which
 strengthens the gut just at the hook and prevents fly breaking off
 before it is half used.

Such as Black Gnat, Black Hackle, Brown Hackle, Cow Dung,
 Grizzly King, Jenny Lind, King Fisher, Montreal Pharmachene Bell,
 Professor Coachman, Silver Doctor, White Miller and Yellow Sally.
 may be obtained at 5c, 10c, 25c or 50c each, according to kind and
 make.
