Third Quarter.

Upper Canada kicked off, but it was blocked and Earl made a 20-yard gain. Carrick repeated and had play on College 20-yard line. Kress relieved by kicking, but it was returned by Loomis and on third try, a forward pass was intercepted by Glenn who passed to Loomis and he booted for a rouge. This wound up the period. Score: St. Andrews 2, Upper Canada College 1.

Fourth Quarter.

A series of kicks opened this period. Cameron secured, but lost yards, Loomis kicked for a deadline. Kress' kick was blocked and secured by Peene, passed to Loomis and another deadline resulted.

Loomis and another deadline resulted. U. C. C. forced play for a few moments, but due to poor catching and returning on part of their backs no score resulted. Kress secured, but Applegath broke thru, secured and raced over for a touch. A moment later it was converted by Peene. College slowly forced Saints back and had them on their defensive for the remainder of the period. They were unable to break thru, but Kress booted three deadlines in rapid succession. West End Harrier Run

N. Blakely, the winner of the West end Y.M.C.A. Harrier run, is the proudest man on earth today. Why? Because he fully realized what it means to win a race of this sort put on by that association. This run and walk was a big success, considering the big layoff it has had for the last few years.

An Invitation, Not a Challenge

Eddie Durnan's letter to Alf. eFnton. the new sculling champion, was not a challenge, but merely an invitation to come over and race the American champion on Toronto Bay next July. If Eddie is sincerely after the title he should follow up his apparent desire and according to rule and custom meet eFiton in Australia. Of course, if the Antipodean will come across no one here will object, or next to that, race in England, as it is stated he will risk his title where he won it, but the American champion has not said he will ever go that far.

Silver Quilty, umpire of the Tiger-4r. gonaut game, in an interview on his return to Montreal, emphasized what most people know, that in Hamilton they are poor losers. It is about all they have in a rugby club, and the crowd, the backers and the players will only stand for one result. Quilty, according to The Gazette, told a number of his former team mates that he would not again take the abuse from any team that he was subjected to at Hamilton. He stated that when a decision was given against the Hamilton team that there was always a dispute to the cobourg Golf Club it was decided to sub-let the grounds to a new organization, the officers of which have been elected as follows:

Hon. presidents: Senator Clive Pringle and Mr. W. J. Orossen; president, Mr. D. H. Kay; hon, secretary-treasurer, Mr. D. C. Dick; chairman of house committee, Mrs. John Dick; chairman of green committee, Mr. John Dick; chairman of tennis committee, Mr. F. N. Black. decision was given against the Hamilton team that there was always a dispute. Not only from the players, but from some of the spectators, who surged on the field of play. He continued by pointing out that such conduct would surely shorten the life of the Interprovincial Union, and that he did not want any more trips to Hamilton, "In fact," said Quilty, "I do not want any more games to referee, as I work for the love of the sport, and abuse is not sport."

HOW TIGERS SUCCEEDED

Dudley Garrett sustained a fractured rib in the game here on Saturday, according to the physician he examined him at Toronto yesterday. The Tigers regret the accident to Garrett, for he always has been noted for paying a clean, hard game, and he lived up to his reputation on Saturday.—Hamilton Spectator. The Spectator knows it was not an accident, but a deliberate, cowardly and brutal foul charge from behind by one of the Spec's Tiger heroes.
