DOMINION COAL REPORT.

MONTREAL, Feb. 27.-(Special.)-The Dominion coal report to-day says: The output for 1907 was 3,541,253 tons, as compared with 3,552,746 tons for 1906, or 11,493 tons less than in the corresponding period. The decrease was due to the fact that mining operations had not been resumed at No. 7 mine since the fire which occurred on Dec. 19.
