YOUR BLOOD IS POISONED If You Suffer From Headaches of Neuralgia.

Frequent attacks of Headaches or Neuralgia are Nature's warnings of Blood Poisoning. The pain is due simply to the tortured nerves, inflamed by the blood being overloaded with impurities, because of inactive bowels, There is usually chronic Constipa-

tion, and the foul matter, instead of passing from the body, is absorbed by the blood. The kidneys are not as strong as they should be and fail to filter from the blood the necessary

Instead of the skin throwing off one and a half pounds of waste matter every day, it becomes inactive and does only half its work, leaving three-quaraters of a pound of this most. does only half its work, leaving three quaraters of a pound of this waste to poison the body. Headache powders and pain killers simply numb the nerves and have no helpful action on the the organs, causing this poisoning of the blood. To cure Headaches and Neuralgia, the blood must be purified, which can be dene only by making the kidneys, bowels and skin healthy and active.

"Fruit-a-tives," made from concentrated and intensified fruit juice, is the greatest blood purifying medicine.

"Fruit-a-tives," or "Fruit Liver Tablets," is a scientific cure for Headches and Nearalgia, and never fails to cure, because "Fruit-a-tives" stops the cause of these troubles.
