MARY A. CRAMP,

Treasurer L. G. L. Assoc'n.

Mrs. Scott. Our industrious and successful Bible Woman is supported by the Montreal Ladies' Association. We regret to say that owing to ill health, her report only covers nine months of work, during that time she sold 73 Testaments, distributed 471 tracts, made 276 somewhat lengthy visits, held 312 conversations and called at 4447 houses, at some of these she was not admitted, and was turned into the street six times. Eternity alone will reveal the good accomplished by this devoted woman in presenting the Truth.
