

## BIDS FAREWELL TO FAIRVILLE RECTOR

Rev. W. P. Dunham Given Purse of Gold and a Ring.

The congregation of the Church of the Good Shepherd, Fairville, assembled in the Church Hall last evening and held a social for the purpose of bidding farewell to their beloved rector, Rev. W. P. Dunham, and Mrs. Dunham, who will leave next week to take up their duties in Hampton church. Rev. J. M. Rice of Fairville Methodist church and Rev. C. T. Clark of Fairville Baptist church were present, also many other friends. A. O. Patrique was chairman. Mrs. Amy Bender was the general convener and cordially greeted the guests. The orchestra of the Church of the Good Shepherd furnished delightful music throughout the evening. Miss Ella Reed furnished pleasing solos, with Miss Katie Fox as accompanist. Rev. J. M. Rice, in addressing the assembly, said he was glad and yet sorry to be present. Glad to express appreciation of the efficient services rendered by Mr. Dunham to church and community. He referred to his early acquaintance with Mr. Dunham, and recalled pleasant memories. He wished him success in his new field of labor, and that he might be successful in gathering souls into the Kingdom. Rev. C. T. Clark, in his address, said he was sorry for the occasion which had brought them together, sorry for the congregation to lose a good pastor and for the community to lose a good citizen. He said the community could ill afford to lose a man like Mr. Dunham, who was held in universal love and respect by all with whom he came in contact. Mr. Clark said he was losing a good neighbor and the church a faithful pastor and friend. The tie which binds a minister and congregation together is more than can be dreamed of. He wished God's blessing to rest upon Mr. and Mrs. Dunham in their new congregation and their new relations which would soon be established. Mr. Patrique called Mr. and Mrs. Dunham to the platform and, on behalf of the congregation, presented them with a purse containing \$110 in gold in loving appreciation of services so freely given, and said all joined in wishing them every success in their new parish, and an abundance of God's blessing for many years to come. Mr. Dunham, on behalf of Mrs. Dunham and himself, feelingly responded, thanking his congregation for this token of their esteem and love. He said he had been with them in sorrow as well as joy, and he and Mrs. Dunham would watch with continued interest their upward progress in church work. He asked that hearty co-operation exist between the congregation and new rector, and said because of their love to him it would be easier to love the new rector. All joined in singing of "For they are jolly good fellows."

ing, a session of the wardens and vestrymen was held. J. M. McKel, senior warden, made a short address in which he referred to the progress of the church during Mr. Dunham's twelve years of labor in the parish. When Mr. Dunham came this parish was a mission; now it is self-supporting. The duplex system had proven a great success. He referred to the many improvements to the church property, and said that Mr. Dunham's work had been one of love and devotion to his parishioners. Mr. Dunham would be missed, not only by this congregation, but also by the whole community. At the close of his address, Mr. McKel, on behalf of the wardens and vestrymen presented to Mr. Dunham a gold ring with an onyx setting, which was inscribed with a Masonic emblem in white gold and engraved with the words "Wardens and Vestry, 1924," and also presented a booklet bearing the names of wardens and vestrymen. The following words accompanied the presentation of the ring: "Allow me, on behalf of the vestry and wardens, to present to you this small token of our love to you and our appreciation of your work among us. Our vestry meetings have been of pleasure as well as business. We hope you may live long to enjoy this ring, and may it bring to your memory pleasant thoughts of happy days spent among us."

Mr. Dunham, in a few words, expressed his appreciation and gave a reminiscence of the happy days spent with his wardens and vestrymen. The church wardens are J. M. McKel and Robert Lunnergan. The vestrymen are A. O. Patrique, Albert Warren, William Gorey, Robert Dole, William McGee, J. E. Miller, W. E. Darling, Harry Galey, H. B. Tippetts, H. Cougle, William Sumner, and J. J. Graham.

The Church Hall was filled to capacity and was decorated in mauve and yellow for the occasion. The table was attractive with silver tea service, yellow candles with mauve shades, and centered with yellow baby chrysanthemums. Mrs. Amy Bender received the guests; Mrs. A. O. Patrique and Mrs. William Baxter presided over the tea cups; Mrs. H. L. Blagden and Miss Edith Warren replenished, and the following assisted in serving delicious refreshments: Mrs. H. Maguire, Mrs. Chittell, Mrs. Wm. Myers, Mrs. Thomas Pile, Mrs. J. M. McKel, Mrs. Charles Hill, Mrs. James Miller, Mrs. Thomas Mitchell, and the Misses Ella Reed, Marion Baxter, Gertrude Masson, Belle Kingston, Dorothy Armstrong, Mary Hoyt, and Olga Maguire. After many expressions of farewell, the National Anthem brought the meeting to a close.

being "war" between concerns in our line of business and the barbers, actually the barber shops have provided us with a new outlet for hair nets. Barbers are, in fact, recommending women to wear hair nets at night to keep their hair in curl."

This authority said that there was an impression that the "bobbed hair" fashion has reduced the market for hair nets. Month after month for the last year their sales had shown an increase over last year and this he attributed to the fact that women with bobbed hair gave an instant welcome to the new "bobby" net, generally wearing two at night in place of a boudoir cap.

## Beautiful Models for Women

WOMEN skaters will take pride in the beautiful models of C.C.M. Automobile Skates designed especially for them.

Model F, for example, is a little jewel among skates. Wonderfully light, yet exceedingly strong. Shaped for speedy, graceful skating. And so brilliantly finished it shines like a piece of new silver.

With a pair of these on your feet you can skim over the ice with the ease and grace of a swallow, and enjoy every minute.

These beautiful C.C.M. Women's models are made of the same Chrome Nickel Steel as in the models used by the champion hockey players and the C.C.M. Speed Skates used by Miss Gladys Robinson, the Women's International Speed Champion.

The blades are hard as glass outside, but with an interior "core" of tough steel that makes C.C.M. Automobile Skates practically unbreakable.

Ask your dealer to show you C.C.M. models for ladies. If you are a "figure" skater, ask to see the C.C.M. Figure Skates and the Winter Club. There are also C.C.M. models for men and boys—for everybody—for pleasure skating, hockey and racing.

## BARBERS SELLING HAIR NETS NOW

An edict issued by the theatre magnates, given wide currency recently, to the effect that girls with "bobbed" hair will not be permitted in the "Follies" chorus was declared to spell the doom of this style of hairdress. An investigation of the barber shops of Toronto, however, showed no diminution in the demand for tonsorial service—in fact, more than one barber shop is now remodeling its premises in order to provide privacy for its lady clientele. The manager of the largest hair net concern in Canada declared that the bobbed hair trend was today more marked than ever. "We recognized some months ago," he said, "that the bobbed hair style would not only be prevalent for some time but also that amongst some types, especially the younger women, it would probably remain a permanent vogue. Realizing this, we placed on the market a special 'bobby' net and, so far from there
