Right to Fight Yanks

for World Honors.

New York, Sept. 29—Well that's over. The Giants have copped the National League pennant and the entire world's series will be played in New York. The McGraw men put on the final touches yesterday by defeating their neighbors from Brooklyn 3 to 0. This year's flag is the third the Giants have hung out in succession, and the ninth they have had altogether. The Yanks ran around the bases so fast and so often that they tired themselves all out. Nevertheless they scored 24 runs to 4 for Boston. Ruth got back into his hard hitting habit and pounded out five hits, including a homer, his 38th, and a pair of doubles. The runs were fairly well divided throughout the game, except in the sixth, when the American champions scored eleven times in a row. The Tigers moved a notch nearer to second place in the American League by defeating the Indians 17 to 3. Twelve of the runs came in the first two innings, and then Speaker started giving his dookie pitchers a chance to show what they were worth. Five did their stuff for a few minutes apiece.

The Braves took the second straight

apiece.

The Braves took the second straight game from the Phillies by the lucky numbers, winning 11 to 7. Williams got his 38th homer of the season, keeping up with the Babe.

The St. Louis Browns took the opening game of the series from the White Sox, 3 to 2. Eddie Collins stole his 45th base of the season. The White Sox took their total toll in the eighth inning. The hit score was even, seven all.

The Cubs made it two straight from the Pirates, taking yesterday's game 2 to 1, after a hard fought pitchers' battle. Grimes gave the Cubs the game by driving out a homer.

HARRINGTON WINS

Scores 1028 Pins in Ten
Strings — Bowling EnU. S GOLF ASSOCIATION
TO BAR SLOTTED
OR PUNCHED CLUBS thusiasm Keen.

The interest manifested in the tenstring match on the Y. M. C. I. alleys last evening between Joe Harrington and Noel Jenkins augurs well for a big revival of the game this season. The match itself was of more than ordinary interest, as there was considerable speculation as to which would emerge with honors over the ten-string route. Harrington, by steady and consistent shooting, not only won, but established what is said to be a new ten-string record for the alleys when he bowled over 1,028 pins against his opponent's 903. Taking a lead of nine pins in the first string, Joe continued his good work and toppled over 126 in his second. He was over the hundred mark in five strings, and only had one string, an 82, below the 90 mark. Jenkins worked hard and, although away behind, kept plugging away in a vain effort to cut down Joe's lead.

Veterans of the game who were present at the match predict that more interest is being manifested this season than ever before, and point out that, although it is very early for bowling matches, the air seems charged with enthusiasm for this popular sport and the outlook is bright for an unusually active season.

States Golf Association announced that after Jan. 1, 1924, all slotted or punched clubs would be barred. Stamped lines may be used if they do not exceed one-sixteenth of an inch in width and are not less than three thirty-seconds of an inch apart. All roughed or raised edges must also be removed. Clubs with- slotted and punched faces, which are used to put an abnormal "cut" on a ball, were barred more than a year ago by the golfing authorities of Great Britain. Discussion on the subject was hot during last Summer when Americans playing in tournaments in England were forbidden to use anything but smooth clubs.\

A large barn belonging to Murray Tompkins, was struck by lightning and burned to the ground at Lansdowne last night, with a loss of \$3,000.
