## CLEVELAND IS NEARER PENNANT

Defeats White Sox in 2 to 0  
Game

Brooklyn Needs Two More  
Wins — Ruth Sends Out  
Two More Homers in a  
Double-Header.

Cleveland, Sept. 25.—Cleveland Indians advanced their lead in the American pennant race to a game and a half by a victory over Chicago yesterday. Two more victories for Brooklyn will clinch the National pennant for them.

### American League.

Cleveland, Sept. 25.—Walter Meigs, Cleveland's southpaw recruit, pitched a great game against Chicago yesterday, and consequently the White Sox lost their opportunity to take the lead in the American League championship in this series by losing to the Indians 2 to 0. Meigs, who pitched a single in the first, second and fifth innings, and won his fifth consecutive victory since joining the local team.

Jackson collected a single in the first with two men out. In the fourth Eddie Collins and Felsch gathered one each. The local southpaw was in danger only once. That was in the fifth inning when, by phenomenal pitching, he extricated himself. After striking out Risberg, Meigs lost control long enough to issue three of his five bases on balls, filling the sacks. He then steadied himself and retired the side by fanning Weaver and Eddie Collins in succession. The Indians bunched six of their nine hits in the first two innings and scored the only runs of the game.

Boston, Sept. 25.—Philadelphia won a free hitting game from Boston yesterday 10 to 9.

### Ruth's Homers 51.

New York, Sept. 25.—Babe Ruth's two home runs yesterday, bringing his season total to 51, failed to add the New York Yankees to their almost hopeless chase after Cleveland and Chicago. The Yankees were only able to break even with Washington, losing the first game 8 to 1, and taking the second 2 to 1. Ruth's double in the ninth inning of the last game was his fourth hit of the game, and he reached third on an error and scored the winning run on Pratt's single. Ruth and Shaw, who struck out eight men, Ruth made a home run, a double and two singles in four times up and Pratt three singles.

Detroit won from St. Louis 16 to 9 in a battling bee here yesterday. The locals made 16 hits from three St. Louis pitchers.

## MCGRAW'S HOME SCENE OF TROUBLE

Wilton Lackaye, Actor,  
Breaks Ankle There

Says Baseball Manager Hit  
Him — Latter Denies and  
Is Supported by Guests of  
the Evening.

New York, Sept. 25.—It became known last night that Wilton Lackaye, actor, sustained a broken ankle at the home of John J. McGraw, manager of the New York Giants on Saturday night. Lackaye, who is in hospital, alleges that McGraw hit him as he was saying "Good night" and that he fell and broke his ankle.

McGraw, in a statement last night, denied having assaulted Lackaye, who, he said, called upon him Saturday night while under the influence of liquor and was abusive. He said Lackaye used vile and indecent language, and that two of McGraw's guests escorted him to the door, and he kicked one of them, slipping to the floor in the scuffle.

McGraw's statement was corroborated by his guests, Magistrate Francis X. McQuade and B. J. Pratt, Chicago, as well as by Mrs. McGraw.

The new  
roll-brim  
RAYMOND

PARIS has evidently had much influence in developing this model — it smacks of the boulevard — and yet it is quite suitable for this side of the water.

The brim cuts off at an angle and then rolls — truly a novel and appealing effect.

The RAYMOND roll-brim can be seen at any good hatters.

If you smarter something a little smarter than the ordinary you will appreciate this model.

Notice the fine texture of this felt and look for the RAYMOND crest inside the crown and on the leather inner band.

The last of these seizures was effected yesterday afternoon when an American automobile loaded to capacity with whiskey, brandy and other liquors was brought to a halt after a long chase by a bullet through the gasoline tank.

## U.S. EXPRESS RATES ARE SENT STILL HIGHER

Increases Averaging 13 1-2  
Per Cent. — Milk and  
Cream Shipments Not Affected.

Washington, Sept. 25.—Further increases in express rates averaging 13 1-2 per cent, were approved yesterday by the United States interstate commerce commission. The increases, which apply to class and commodity rates, make a total increase of 29 per cent granted the express companies within the last few months.

The express companies had asked for additional increases of up to 15 per cent. The only exceptions made in the new rates are in the case of milk and cream shipments.

## SIR A. CURRIE TO JOIN THE BOARD

Appointed to Protestant Council  
of Public Instruction in  
Quebec.

Quebec, Sept. 25.—(Canadian Press)—Announcement that Sir Arthur Currie, principal of McGill University, had been appointed a member of the Protestant Council of Public Instruction was well received by the members attending the quarterly meeting here yesterday. A letter was read from Sir Arthur regretting his inability to attend owing to business engagements in Boston.

It was reported that the sum of \$8,000 had been reserved from marriage license fees for the benefit of poor school children and that \$17,025 had been granted to academics, and \$22,531 to model schools.

Reports were submitted by the committees on the educational campaign inspection service and on course of study. All were considered satisfactory by the council.

## GREAT RACE FOR \$75,000 AND A \$5,000 GOLD CUP

Man o' War and Sir Barton,  
Famous Racers, to Meet at  
Windsor on Oct. 12.

Harve de Grace, Md., Sept. 25.—Man o' War and Sir Barton, two of the most famous race horses, on Oct. 12 will race at Kenilworth track, Windsor, Canada, for a \$75,000 purse and a \$5,000 gold cup.

Weight to be carried by Sir Barton will be 126 pounds, that to be carried by Man o' War will be 120. Should something intervene to prevent one of the horses competing, the other will cover the track for the \$5,000 cup alone.

The match was arranged yesterday afternoon at a meeting between A. M. Orpen, manager of the Windsor track; Sam Riddle, owner of Man o' War; Commander J. K. L. Ross of Montreal, owner of Sir Barton. The distance of the race is to be a mile and a quarter.

Willis Sharpe Kilmer, owner of Exterminator, a third horse named as a prospective contender in the race, declined to enter his thoroughbred in any but a handicap event. Orpen refused to meet his demands.

## RUINED 1,659 FRENCH TOWNS

Hun Ravages Showed by  
Statistics Prepared for Allied Conferences.

New York, Sept. 25.—The completion of the estimates of losses caused by the war now makes it possible to state the number of little villages, farms and real estate holdings which were partly or wholly destroyed in France. These final estimates, prepared for the use of the minister delegates to forthcoming Allied conferences, show that 1659 towns and villages were totally wiped out by war's ravages.

Some of the more interesting returns of these official figures, which have been obtained by the French Section of the Foreign Information Service of the Bankers Trust Company, are as follows:

In the six departments which were invaded	4,022
In the departments of Seine, Seine-et-Oise, Seine-et-Marne, Seine-Inférieure	173
Number of towns and villages in which destruction reached	1,659
100 per cent.	707
50 to 100 per cent.	1,856
Less than 50 per cent.	
Number of real estate holdings entirely destroyed	290,300
Partially destroyed	269,870
Number of private wells damaged or destroyed	62,900
Number of cubic meters of earth to be moved to restore property	42,100,000

As an indication of the progress made in restoring these losses the official figures show that nearly all the injured towns and villages (4000) have been re-established and 134,000,000 cubic metres of trenches have been filled up.

## STRIKE IF TROOPS ARE EMPLOYED

Would Involve 126,000 Coal  
Workers in West Virginia.

Charleston, W. Va., Sept. 25.—A general strike, involving 126,000 organized workers of West Virginia, will be called "if federal troops are to be used as a strike-breaking agency instead of for the nation," said C. F. Kenney, president of District No. 17, United Mine Workers of America, in a statement issued here last night.

## IMPERIAL

FOR THE REMAINDER OF THE WEEK

## Richard Harding Davis' Enrapturing Romance "SOLDIERS OF FORTUNE"

A Favorite Novel in Wonderful Movies

YOU WERE THRILLED AND HELD SPELLBOUND, no doubt, when you read Richard Harding Davis' "Soldiers of Fortune."

It carried you to the extreme outposts of civilization and made you eye-witness to the exciting and venturesome experiences of Clay, the Engineer. You read page after page, hanging on breathlessly to the thread of the story, eager to know the outcome.

Allan Dwan, the noted photodramatist and director, produced "Soldiers of Fortune" for the silent stage. In offering the story as a photoplay, Mr. Dwan has been able to present it in more vivid colors and with much broader strokes than the limitations of the spoken drama or cold type would permit.

He has added to the delight of the tale by bringing it up to the present time, but adhering closely to the story so as to present all the romantic charm, the virile action and the climactic situations with which the story abounds.
