Our Dominion-Wide Organization And Our Standardized Prices For Tailored-To-Measure Clothes Makes High-Cost Of Clothes Talk Unnecessary

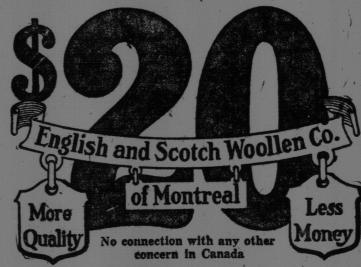

NOBODY ever complains about our tailoring values because there is no cause for complaint. Fair minded men frankly admit it.

If every tailor and every clothes maker were in a position to give the values and render the service available at any one of our 35 Quality Tailor Shops in Tailored-to-Measure Suits and Overcoats, there would be no protest heard against exorbitant prices of clothes.

The quality of our Tailored-to-Measure Garments is high; the Quality of our woollens is above criticism, and the integrity of the organization back of every Tailoredto-Measure garment that we produce is unquestioned

If you will come to any one of our 35 Quality Tailor Shops and look over our line of woollens and note the fairness of our Standardized Prices, all this talk about the high cost of clothes will mean nothing to you.
