Tonight the Thistles and McAvity's Specials will meet.

Y. M. C. I. League.

The Swans won the first string from the Eagles in the opening game of the second series last evening by thirty-one pins. With Magee, McCurdy and Norris in the 90 class, they rolled at almost a 1,350 gait. For the Birds of Prey, W. Ryan with an even century was high man.

Thanks to the lead and anchor, the Eagles got the second string by twelve pins. W. Ryan's 96 was nice steady bowling, and so was Riley's 101.

For the Swans, Norris seemed to have formed the 90 habit, as this was the same as he rolled in the first string.

The third string went to the Eagles by nine pins. For the Birds of Prey Murray and Coughlan were in the 90 class. The Swans had Norris in the nineties. This gave each team two points.

Swans—				Total.	Avg.

Shots at the King Pin.

Some averages got bumped hard last night, due to brand new pins.

The style of break has to be changed considerably and the bowler who can most easily alter his style comes out best.

Most players think it is entirely a matter of speed, but this is not the whole story, as some speedy bowlers can bowl higher or at least as high with new pins as old.

Two and two is a nice sociable game, but it doesn't get a team anywhere.

Norris of the Swans was the high man and the steady man last night.

Tonight's game will be between the Autos and Hawks. The former team has been strengthened and is out after the second series, but the Hawks are on a winning streak and intend to keep it up.

Team Totals.

In team totals in the first series of the Y. M. C. I. Senior League are:

Owls	9,603
Hawks	9,312
Eagles	9,279
Swans	9,202
Robins	9,091
Sparrows	8,969
Autos	7,738

BASKETBALL.

Game Postponed.

The basketball game between the Sugar Refinery team and St. Andrew's, which was scheduled for tonight, has been postponed until Saturday evening at St. Andrew's church school room. There will also be a game between the younger boys in the inter-church league the same evening.

The City League.

Two interesting games in the City Basketball League were played last evening in the Y. M. C. I. gymnasium when the Y. M. C. A. intermediates defeated the Y. M. C. I. intermediates 85 to 7 and the senior Y. M. C. A. team won from the Y. M. C I seniors, 68 to 10. Although the scores were one-sided, the losing teams put up good exhibitions, considering that this is their first season in basketball.

In the senior game Y. M. C. A. had its regular players on the floor and they put up their usual good exhibition. Y. M. C. I. introduced three veteran players in E. Sterling, F. Grearson and Brown.

Despite the unfavorable weather conditions there was a large crowd in attendance and the players were given every encouragement.

The seniors lined up as follows:

Y. M. C. I.	Y. M. C. A.
Sterling	Willet
Grearson	Thorne
Henderson	Margetts
Sweeney	Nixon
Brown	Marshall

Belding replaced Sweeney in the second half.

BASEBALL.

Go To Chicago.

Chicago, Ills., Dec. 2.—That noted battery, pitchers Grover and Alexander and catcher Killifer, will be with the Chicago Nationals next season. Killifer signed a contract today for one year. Alexander came to terms at the close of the session.

Jennings Accepts Terms?

President Frank Navin of the Detroit American League club has sent a contract for the 1920 season to his manager, Hughie Jennings. It is reported that he has accepted terms and will sign.

Reds Sign "Boy Wonder."

Cincinnati, Dec. 2—It was announced today that Dick Loftus, boy wonder of New England last summer, has signed with the Reds. Loftus played with Fitchburg, Mass., club last summer, before sustaining a broken ankle. Then the local club blew up and he recently became a free agent.

SKATING.

Frank White is Elected.

At the annual meeting of the Amateur Skating Association of Canada, held in Montreal recently, Frank White, of this city, was elected a member of the executive. It was announced at the meeting that everything points to a strong post-war revival of amateur skating throughout the dominion.

PLAYING THE GAME.

(By B. C. Forbes, in Forbes Magazine, New York.)

Business is as much a game as golf or baseball or football.

Life itself is aptly likened to a game.

To win, to earn and enjoy the fruits of victory, you must play fair.

A cup or medal or other trophy is not the real prize the victor receives; the real prize, the real reward, is the satisfaction derived from superior, worthy achievement.

Wealth is not the real prize of life, it is only a trophy, a symbol, and may carry with it no satisfaction; indeed it does not carry with it genuine, lasting satisfaction unless it has been won fairly, honestly, honorably.

The more I see of rich men and the closer my insight into the workings of their minds and hearts, the more strongly convinced do I become that great wealth is no passport to happiness nor proof of true success.

It is an old truth, but it needs preaching every sunrise, so many do not know it, or, knowing it, do not heed it. If they could only be made to understand, if they could only see things in their true colors, if they could only peer into the hearts of many millionaires, they would order their lives more rationally and enjoy life more thoroughly.

To win out you must play the game every time.

"Look at So-and-So ;he has everything he wants, yet everybody knows that he made his money by shady practices," you may reply.

Don't fool yourself that So-and-So has everything he wants. Do you imagine that he doesn't know how you and other people regard him? And do not think for a moment that he enjoys being looked at askance, or that he wouldn't exchange most of his ill-gotten gains to stand high with you and other people—and to stand high with himself.

There have been wholesale efforts to reap more than has been sown, to get more than has been earned, to tilt the scales unduly.

Sooner or later the profiteers and labor slackers will get their just reward.

The call is for the fellows who can be depended upon, under any and all circumstances, to play the game.

The things that count are the things that last.

Playing the game lasts.

NEW PROGRAMME AT OPERA HOUSE GOOD

Variety in The Acts, Including Wonder Performance by Sultan, a Pony

The change of programme at the Opera House last evening was enjoyed by large and appreciative audiences. The bill was one of the best, from many standpoints, seen here for some time, and it was evident that every act was enjoyed by those present. There were good music and singing, fun galore, clever repartee, dancing, and tricks by a pony that evoked frequent and hearty applause.

As the curtain went up two reels of the popular serial, "Perils of Thunder Mountain," were screened, after which an interesting and instructive picture showing the evolution of a hat was given.

The first on the vaudeville programme were Wardell Bros. and LaCoste in comedy singing and eccentric dancing. Both brothers were clever and the female member of the team was also good and had a variety of steps which evoked hearty applause. Their dancing and singing were evidently greatly appreciated judging from the rounds of applause which greeted them at the conclusion of their number.

Clarence Wilbur, a tramp comedian, made quite a hit. He is a good singer, has a line of chatter which was amusing and is above all a good entertainer.

Waak and Le Wand Sisters followed with a musical novelty which won instant favor. One of the girls is a clever violinist, the other an exceptionally talented player on the harp and the male member plays the saxaphone and bass well. Their selections were well chosen and at the conclusion of every number they were accorded prolonged applause.

Mason and Gwyne followed in a black-face comedy skit. The male member soon won the audience and with his wit and chatter had all laughing. His partner is a good singer and in addition gave a clever imitation of a cornet, which brought rounds of applause.

The programme was brought to a close with Sultan, an "almost human" pony. He seems to know just what to do and when and how to shake his head. As a result, his answers to questions were quite amusing as well as surprising. How he was taught to count is not shown in his performance. Usually in acts of this kind the trainer guides the animal by stopping talking at the right time, but Sultan does not seem to need any such tip. His performance was greatly enjoyed.

John and Mary had been sharing one chair all the evening. John sat on the chair and Mary sat on John.

After about three hours of this Mary suddenly exclaimed:

"O, John, aren't you tired?"

John smiled a brave, patient smile.

"Not now," he said gently. "Not now. I was about an hour ago, but now I'm only paralyzed!"

REINSTATEMENT OF ATHLETES

M. P. B. A./U. U. Will Consider Standing of All During the War Professionals And The Money Question

(Halifax Echo.)

There was an enthusiastic meeting of the Maritime Province Board of the Amateur Athletic Union of Canada at the Board of Trade rooms on Saturday night. The most important question brought up was the matter of the reinstatement of athletes who had been engaged in professional sport during the years of the war, and the general feeling seemed to be that those who have not seriously offended should be dealt with as leniently as possible, which practically amounts to the extension of an invtiation of all and sundry of these "during-the-war-pros." to come and collect their amateur cards.

When L. A. Gastonguay called the meeting to order, the assembled delegates listened to the report of A. W. Covey, of St. John, on the annual meeting of the C. A. A. U., held at Ottawa.

It was, he said, the feeling of all the delegates, that athletes should be given the opportunity to return to the amateur ranks; in spite of the fact that western ransgressors had seemingly been given the preference in this respect.

After splendid addresses by L. B. McMillan, of Charlottetown, and Anthony Johnstone, of St. Francis Xavier, Mr. C. N. Butcher, the well known Y. M. C. A. executive, stated that, in his opinion, an opportunity should be given the young element who had become involved in professionalism during the war period to return to the amateur ranks.

The general feeling of the meeting seemed to be that reinstatements should more or less be of the clean-sweep variety, and take in those who had taken money for their services as well as those who had merely been professionalized through contact.

L. A. Gastonguay, the retiring president, in conversation with a Daily Echo reporter today, stated that he was fully in accord with the idea of giving all newcomers a chance to take part in amateur events, but felt that indiscriminate reinstatement was not the solution. He considers the proper course is to uphold the old ruling as to receiving money and deal individually with all cases where players have not received remuneration but have otherwise broken the rules.

Delegates were strongly in favor of permitting all those who had been placed under the amateur ban to state their case, and in this way present to them the opportunity of regaining their standing. This will doubtless eventually mean that hundreds of athletes will be reinstated in the Maritime Provinces and a broad view of the situation at this point will clear up the athletic atmosphere once and for all.

WORK FOR SHANTY MEN.

Mr. Henderson of the Shanty Men's Christian Association of Ontario was present at the meeting of the W. C. T. U. yesterday and gave a splendid address on the work of his association that was listened to with much interest and appreciation. The president led the opening devotional exercises and Mrs. Seymour was the first to lead in prayer. It was decided to ask that the county meeting be held half an hour earlier in order that Rev. W. D. Wilson might be able to address it. Mrs. Seymour reported on taking flowers to the D. S. C. R. hospital in Lancaster and spoke with feeling of the fortitude of a young man in the hospital who has lost one hand and one foot. Arrangements were made that the W. C. T. U. should have a treat in the Seamen's Mission once a month during the winter and plans were completed for the annual county convention.

In the case of Fred. LeBlanc vs. the Moncton Tramways, Electricity & Gas Company, for $2,000 damages for injuries received while getting off the car, heard before His Honor Mr. Justice Chandler, in Moncton yesterday, the jury brought in a verdict of $800 for the plantiff. M. G. Teed, K. C., acted for the defendant company. His honor reserved judgment.

From Out the Night You Hear the Cry:

"Oh! Why Can't I Get to Sleep?"

Thousands of people all over the country ask this question, but still continue to toss, night after night, on sleepless beds, or walk the bedroom floor until near dawn. Their eyes do not close in the sweet and refreshing repose that comes to those whose heart and nerves are right. Worry or disease has so debilitated and irritated the nervous system that it cannot be quieted. Or, again, there is palpitation of the heart, the sleep is broken by terrible dreams, you wake up with smothering spells, sinking sensations and a fear of impending death.

To be able to lie down at night and in a few minutes fall asleep—to know no dream or waking until morning—then to bound out of bed full of vigor, freshness and good spirits, ready for each and every duty the day may demand, is a blessing that can be easily achieved by using

MILBURN'S HEART AND NERVE PILLS

They soon induce healthful, refreshing sleep, not by deadening the nerves, but by restoring them to healthy action, and removing all symptoms of heart trouble, which is often the cause of nervousness and sleeplessness.

Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
