KENNEL

To Hold Show Next Fall
At the annual meeting of the New Brunswick Kennel Club, held last even-

ing attendance, it was decided to hold a dog show in the fall, on dates to be announced later. George P. Allan was in the chair. The reports of the secretary-treasurer for last year were very encouraging, it being stated that the show held last year was the best of its kind ever held east of Montreal. Officers were elected as follows: J. Vermer McEllen, president; Louis W. Leblond, first vice-president; J. LeLacheur, second vice-president; E. Alban Sturdee, secretary-treasurer; executive committee, LeBlond, Wilson, Charles Conway, George Connelly, Robert Magee, Humphrey J. Sheehan.

It was resolved to send a letter of sympathy to Thomas Moore, of Montreal, who acted as judge at the show held in St. John in 1909, in connection with the loss by fire, last week, of his entire kennel of thirty wire-haired Fox terriers.

BASKETBALL

Church League
In St. Paul's school room yesterday the St. Paul's junior basket ball team won from St. James', 14 goals to 9.

HOCKEY

Re Hockey Arena.
St. John, N. B., Feb. 3, 1914.

To the Editor of the Times:—

Sir—If there is one thing that St. John lacks, it is a building for the above use. If you were in Montreal or Toronto and discussed the maritime provinces, you would find that they knew very Amherst, New Glasgow and Halifax far better than St. John. Hockey has given these cities a good many thousands of dollars of free advertising. A building capable of accommodating 5,000 people could be erected for a comparatively reasonable figure. There is no auto show in St. John this year because a suitable place was not available; such a condition is a disgrace to a city of this size. An arena would enable St. John to have musical festivals and band concerts capable of attracting thousands to the city. Would it pay? Well, judging from Halifax, Montreal, and other cities, it should prove a very fair dividend payer. A meeting has been called for Wednesday the 4th inst., in the Board of Trade Rooms, at 8 o'clock, and we trust you will show your interest in St. John by being present.

Yours truly,
E. J. MOONEY,
President St. John Hockey Club.
U. N. B., 13; St. John A. C., 1.

To the tune of 13 goals to 1, the St. John Athletic club hockey team met their defeat at the hands of the U. N. B. aggression in the capital last night. The local club was completely outclassed.

Chatham, 4; Campbellton, 3.
Chatham won from Campbellton in last night's game in the N. B. H. L. at Chatham, 4 goals to 3. The game was the fastest that has been seen on the north shore for years.

Interprovincial League

Once more the local team in the Interprovincial Hockey League was down-

ed by the Sussex sextette, losing to them in Sussex last night, 9 to 5. Although the ice was soft, the game was fast and exciting.

Sydney, 10; Socials, 7.

In Sydney last night the home team won from the Socials, 10 to 7.

Crescents, 10; New Glasgow, 2.

New Glasgow were given a bad beating in Halifax last night, when they were vanquished by the Crescents, 10 goals to 2.

Kentville Defeats Digby

Digby N. S., Feb. 4—Kentville defeated Digby at a hockey match in the Victoria Rink here last night; Score 12 to 8.

BILLIARDS

Hoppe Defeats Sutton
New York, Feb. 4—Willie Hoppe, the 18.3 ball-line billiard champion, playing in the championship form, successfully defended his title against George Sutton of Chicago here last night, winning by a score of 500 to 226 in seventeen innings.

BASEBALL

Leafs Lost Money
Toronto, Feb. 3—Objection has been taken by President J. J. McCaffery, of the Toronto International League Club, to some statements circulated concerning the earnings of the Leafs.

To correct the impression that the Toronto Club is making money hand over fist, let me say that the disbursements of the Toronto Baseball and Amusement Company during the last season were \$93,500, and that we faced a deficit of \$18,000 at the end of the season. The Toronto Club is owned by four or five local gentlemen, who are engaged in various lines of business, and who do not depend upon baseball for their livelihood. If they did they would be in sore straits at times.

Feds. After Seaton

Kansas City, Mo., Feb. 8—Ad. Brennan, formerly a pitcher for the Philadelphia National League team, but now with the Chicago Federals, is after Thomas Seaton, a former team-mate.

Seaton, a former team-mate of Brennan will endeavor to sign Seaton for the Federals, and if he succeeds he will receive a \$500 bonus.

Duffy Lewis Signs

The management of the Boston Red Sox has received the signed contract of Duffy Lewis, outfielder. Lewis says that he has been keeping in good trim, and has been doing a little work since the first of the year. His new contract is said to be a very complimentary one, and prescribing a salary considerably in advance of anything he ever has received in baseball.

For four hours the lady remained in the shop. She had visited every department and worried nearly every one of the assistants without spending a penny. As evening fell one of the shop-walkers approached her and said sweetly:—“Are you shopping here, madam?”

The lady looked surprised. “Certainly,” she said, “what else should I be doing?”

The shopwalker hesitated for a moment, then blurted out—“Well, madam, I thought you might perhaps be taking an inventory.”

Then the lady melted away among the shadows by the door.
