THE EVENING GAZETTE, SAINT JOHN, N. B., MONDAY, MARCH 11, 1889.

LOCAL MATTERS. MASONIC ENGAGEMENTS. setings will be held at Freemasons' Hall, nain street, during the month of March, at lock in the evening, as follows: ay, 1st-Albion Lodge, No. 1. through prevented him from bringing home one of the diamond rings offered in the late New York sports. That, however, will hardly occur again.

Messrs. Simmons & Burpee have a crew of men at work on the wharf in the rear of the Normal School building, preparing the lumber for the rear of the Normal School building, preparing the lumber for the rear of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the surface of the Normal School building, preparing the lumber for the sur

Miss Laura Elderkin of Port Greville N. S. is making preparations to go as a being a popular pastime in this city this year. A number of gentlemen—old acrosse players—have set town the city this acrosse players—have set town to the city this acrosse players—have set town to the city this acrosse players—have set town to the city this city th ground is in a proper condition to will be started,
Lacrosse has taken hold strongly in everyplace where it has been introduced, and why not here? It is the national game of Canada, having just as much science in it as baseball and double the excitement. Fredericton will have a lacrosse team, St. John will have at least two, and doubtless Halifax will come to the front after a short time.

Church.

She has not the base of the swell, but that will come or the same place the asperry bushes were budding out. When you meet men with faces as brown as filberts and cheeks that bulge out so far with fat as to conceal the ear, and this mark was repeated spring.

The father of the pugs is P thown pug. An ancestor nary sum may know that they are just from the woods. Chat
"No Band this evening.

Baptism.

Rev. Mr. Botterill assisted by Rev. Mr. Gordon, baptised 11 candidates last evening in the Leinster street Baptist church."

Baptism.

By the carleton Royal Arch Chapter.

Will be started.

Lacrosse has taken hold strongly in on without influence in this particular. On without influence in this particular.

Mr. John McLeown reports seeing green grass at least three inches high growing as at least three inches high growing as a prominent features as if the words and so near the same place the aspherry bushes were budding out.

When you meet men with faces as brown as filberts and cheeks that bulge out so far with fat as to conceal the ear.

The father of the pugs is P thow and the words. Chat

When you meet men with faces as brown as filberts and cheeks that bulge out so far with fat as to conceal the ears you may know that they are just from the world.

When you meet men with faces as brown as filberts and cheeks that bulge out so far with fat as to conceal the ears you may know that they are just from their winter's work in the woods. Chatham World.

Week, and also near the same place the mother had the black toe nalis indicative of raspberry bushes were budding out.

The father of the pugs is Port, a well shown pug. An ancestor named Comedy Junior is believed to be one of the finest pedigreed dogs of England.

"Do you keep them for amusement, doctor, or for revenue only?"

"Ob I thought I would like to raise them. ANTIMONY.

It is probable that operations at the Autimony Mines at Prince William will be again resumed, as the production from its rival in California is diminishing.

THE BIGGEST ENTRY.

Manchester Wobertson & Allison are

Fred Reid says he will not meet Camp bell's man Charley Clark at 122 pounds the winter's work in the woods. Chatham World.

Happy the humble plodder who is not for revenue only?

"On keep them for am of for revenue only?"

"On thought I would in but it takes too much of my be made Tuesday night for a bout of some be may laugh at his popular neighbor, whose sprained finger is immortalized in big capitals on the news page of half a dozen journals.—Parrsboro Leader.

Manchester Wobertson & Allison are anchester Wobertson & Allison are ited with the biggest single entry made at the Custom House, St. John. sounded to \$13, \$18, \$37, and was let his morning.

THEY WOLLDN'T WAIT.

THEY WOLLDN'T WAIT.

At night a number of roughs created isturbance in the Salvation army acks, Carleton. They knocked overbenches and attempted to break upmeeting generally. Officer Ross was all another change in bis plans, and he will now carry out his original intention of training in the West for his fight with Weir, where he will put up. "Calleton They knocked was a let with Weir, where he will put up."

A telegram from 1 dozen journals.—Parrsboro Leader. The hackmen are now forbidden to enter North street passenger station on any account. They cannot carry a passenger's baggage, or enter to collect a fare from a person who has employed them.—Halifax Echo.

All the pits worked on Monday last, and there were 2,300 tons of coal raised. On Tuesday the East slope was idle, and there were 2,300 tons of that day was 2,796 tons or 14 tons short of 2,800. This we think beats the record for coal shipments in the same period of time.—Springhill News.

A telegram from H. W. Leslie, who decamped.

TEMPERANCE LECTURER DOUTNEY'S CONDITION.
Thomas N. Doutney, the well known temperance agitator who was badly injured in the Grand Trunk Railway accident last week, had his leg broken, his head cut and his arm badly bruised. Mr Doutney will come out all right, however, for he is now improving.

Another contribution to the fund.

State of Maine, says the Fredericton Gleaner, who was in town a day or two ago attending the crown land sales, contributed a very liberal sum to the Royal Templars' fund for carrying on the Scott Act prosecutions.

BETTER LICK THIS TIME.

It is reported that Frank White intends to compete in the amateur sports at New In our two discounts of the same competed that Frank White intends to compete in the amateur sports at New In two has a carry out his original intention of training in the West for his fight with twith. Weir, where Myer is the record for coal shipments in the same proid of time.—Springhill News.

A telegram from H. W. Leslie, who has been in New York on business in connection with the development of the isolocity of their comfort while at Beloit. A telegram has been in New York on business in connection with the development of the last River, Pictou, state that he has been in New York on business in connection with the development of the last River, Pictou, state that he has been in New York on business in connection with the development of the isolocity of their comfort while at Beloit. A telegram has been in New York on business in connection with the development of the isolocity of their comfort while at Beloit. A telegram has been in New York on business in connection with the development of the tast River, Pictou, state that he has been in New York on business in connection with the development of the isolocity of their comfort while at Beloit. A telegram has been received from John Kline of the tast River, Pictou, state that he has been in New York on bus

to compete in the amateur sports at New Haven on the 16th. And he will come out well. It was an unfortunate accident that prevented him from bringing home one of the diamond rings offered in the late New York sports. That, however, will hardly occur again.

Cal McCarthy will never lose a battle through negligence of training. Though he is always in fair condition the instant he has a match on hand he begins his work of preparation for it. He has already begun work for his go with Ed MACAULAY BROS. & Co.,

RECOMMEND
