The Spanish Pilgrims.

islature.

ne, April 19,-Representatives the Spanish pilgrims were received today at the Basilica by the holy father. It had originally been intended to give andience to the entire delegation, but as these number fifteen thousand it was dremed necessary to admit only repre-sentatives to addience. To-morrow the Pope will give a general reception at which as many of the pilgrims as can pass through in four hours will be enabled to salute the venerable pontiff and kiss the nem of his garment.

The Devil on Trial. San Francisco, April 18 .- The trial of the devil has been in progress for several days at the barracks of the Salvation

the Fasci de la Viroteri, whose chief deputy de Felice was, has organized the turbulent elements of the Sicilian people for a revolutionary conspiracy. They said it had drawn money from France, England and other countries. The plot has been to overthrow the Sicilian authorities and deliver the whole island into the hands of the socialists. Numercus letters and papers and much printed matter were submitted to prove the sedi-tious aims of Fasci and the chief. One prefect gave evidence concerning a com-promising dispatch sent by Deputy Felice to an Italian abroad. "We are at the beginning of the end," was the sen-tence in the dispatch. The examination of witnesses is likely to last for weeks, as the government will call 120 persons and the defence 250.

Lost Charlie Ross. . Philadelphia, April 19.-The famous mystery of Charlie Ross' abduction was recalled sharply to the residents of Germantown to-day by the marriage of his brother Walter to Miss Julia Peabody Chandler. More than eight hundred per-sons were in the church to witness the ceremony, which was performed by Rev. Dr. Winchester of Boston. Walter was playing close to the house with his brother Charlie on the fateful day in July, 1874, when the abductors drove up, en-ticed them into a carriage and drove off with them. Walter was permitted to return home, but Charlie was never seen again.

### A "400" Wedding.

New York, April 19 .- The four hunmblishing articles attributing partisan church at high noon to-day to witness the corn and potatoes might suffer somewhat, nuptials of Miss Edith Kip, daughter of is reputed to be the most beautient of married girl in New York society, and Richard McCreery, of California, who has resided in London and Paris for Men the house met to-day it dealt many years. Bobbies on Bicycles-Catholic Bishops to Petition the

Queen. Prof. Sanders' Roseate Report -

Fatal Results of a Football Kick.

Toronto, April 19.—The police commis-sioners have decided to provide five mem-bers of the force with bicycles for the purposes of partol duty in the suburbs. Ottawa, April 19.-It is stated on good grounds that the petition now being signed by the Roman Catholic bishops in reference to the school question is addressed to the Queen, and asks that the Imperial parliament amend the Manitoba act of 1870, so as to have the effect of restoring private schools in that pro-vince. It is also stated that the Quebec

members of the cabinet threatened to appeal to Rome if the bishops did anything to force them to resign. Professor Saunders, of the experimen-tal farm, stated to-day that the outlook

for the farmer was, so far, the best for several years. He said the early and dry spring had left the ground in the best of condition for crops. Sowing at the experimental farm was fifteen to twenty days earlier than last year and the conditions far better. He was asked if wet and cold weather during May

might not alter this forecast. He said hardly, for grain would not be sufficientared turned out in full force at Grace | ly above ground to be affected, although but there was no meteorological reason to expect unusual weather in May, and Colonel and Mrs. Lawrence Kip, who is reputed to be the most beautiful un-
