the statement of the Daily Express, London, that the government had re-jected a proposition to send a Canadian regiment to India on the ground of the government. As already explained, all that has taken place in The line-up was as follows:

HALIFAX, Jan. 8.—Fire broke out in "Pinehurst," 'the residence of R. L. Borden, M. P., at 6 o'clock this evening, and the house was so badly damaged that it will be uninhabitable for months. The origin of the fire is inexplainable except on the theory that it was caused by an exposed electric wire. It started in a sitting room on the second floor and ran up behind the plaster to the roof. An alarm was relephoned to the nearest engine house

a session or dissolution. Meanwhile, as the law cannot wait, a proclamation was issued today formally proreguing parliament to February 22nd. As an aid to the government to decide this all important question, Messrs. Wainwright, Morse and Biggar were here today and had a lengthy conference with Sir Wilfrid and Frizpatrick on the five million dollar question.

At one time the fire department and Mr. Borden believed that the house could not be saved. The furniture and carpets suffered severely, the main
