—A gift of real estate valued at \$40,000 has been made by ex-Mayor Thomas B. Reddie of Newark, N. J., to the First Baptist Church for the site of a new church, which Mr. Peddie offere to erect at his own expense at a cost of \$75,000. This is said to be the largest gift for strictly religious purposes in the history of Newark.

—The English Churchman tape: "The hearts of ritualistic priests are, with but few exceptions, in Rome, but their loaves and fishes are in the church of England."
