SOLDIERS READ MAGAZINES AND ENJOY THEM

Captain Hill, of 26th Battalion, writes of the demand for literature in New Brunswick Battalion

The following letter sent Mrs. E. Atherton Smith from Captain Hill this week shows how keenly reading matter is appreciated by our soldiers and any desirous of sending magazines or papers have only to address them to Captain Hill who will see they are properly distributed.

Dear Mrs. Smith: I will endeavor to write you a few lines at this time and let you know we are all safe and sound on this side of the Atlantic. We had an uneventful voyage across the ocean. It was just like a mill pond all the way. Of course a great many of us were seasick, but that is part of the trip. We landed at Davenport and the scenery was beyond description, the most beautiful I believe I ever saw. I don't know how I can thank you for the magazines you so kindly sent along with us. I cannot do justice to their value and use on paper. I secured a state-room and opened it as a Y. M. C. A. headquarters and I assure you it was a busy place. I gave out the magazines and books and told the boys to return them at night so we could have them for the next day and so they would not get washed overboard, but that was the last we ever saw of them, and when they did not come back in the course of a few days we began to think something was wrong. I selected a few boys as scouts and sent them out to see what could be done in the way of getting some of them back. There was not one to be found lying about the beach, and they were all in use so I sent out the boys again and told them to ask for the loan of the magazines and books when the boys using them were through with them, but the reply they received was: "We have already promised them to a little fellow of what a comfort and help these magazines and books were among the soldiers."

I spent a few days in London and I don't know how I can thank you for your London lectures. It just seemed as if I had been there before, everything looked so natural. Ever so many of the boys who heard your lecture and saw the views spoke about it and feel very grateful to you for your kindness in giving us that evening. The country is very beautiful all around here and we have only to go up on the hill back of our camp and we can see France. Our boys are all well and I trust they will keep so. Don't forget us in your prayers and hoping this letter will find you well and your great work for the soldiers a greater success than ever. I remain

Yours for service,

COL. MACLAREN SENDS THANKS TO CITIZENS

Letter addressed to the Standard received yesterday—A Hut Ward.

Colonel Murray MacLaren, now in command of a hospital in France, in a letter to the editor of The Standard, thanks citizens for generous donations.

The letter is as follows: No. 1 Canadian General Hospital, A. P. O. 811, France, July 24, 1915.

To the Editor of The Standard: Sir,—As the result of the receipt of numerous funds from citizens of New Brunswick, it was found possible to submit to headquarters a proposal that a New Brunswick hut ward for the sick and wounded should be erected on the camp site of No. 1 Canadian General Hospital.

It is very pleasant and satisfactory to inform you that the offer has been accepted and I have been directed to convey to the citizens of the province of New Brunswick the thanks of Lieut. General Sir P. T. Clayton, K.C.M.G., C.B., Inspector General of Communications, for the kind offer, and to state how keenly he appreciates the very patriotic spirit which has prompted this most serviceable gift to the army in France.

I am, Sir, Yours very truly,
MURRAY MACLAREN,
Colonel Commanding,
No. 1 Canadian General Hospital.

PATRIOTIC CONCERT AT BEULAH CAMP

Members of Summer Colony Raised \$30 for the Patriotic Fund.

A most successful patriotic concert and candy sale was held at Beulah Camp grounds on Wednesday evening last. The proprietor of the Rockdale Hotel, J. Belyea, gave the use of the spacious parlors of the hotel for the occasion. An interesting programme of vocal solos and recitations was admirably rendered. Among those taking part were Mrs. Frank Lord of Boston, Jack Lawson of Everett, Mrs. W. Woods, Miss Turner, W. Amland, Helen Patterson, Arthur Rowan, Mildred Bissett, Ethel Cosman, Marion Wilson and Catherine Wilson. Miss Sinclair of St. John played the accompaniment for all the performers in a most artistic manner. Previous to the collection, W. J. S. Myles, who acted as chairman, made a strong appeal for generous support of the Patriotic Fund. The sum of \$30 was realized and has been forwarded to the treasurer, To Miss M. A. Cann, who with the aid of a few ladies, arranged the whole entertainment in a few days, much credit is due. The performers and audience were drawn almost entirely from the visitors and summer residents, and the result is an indication of what might readily be done at all our summer resorts.

REV. MR. HOOPER APPEALS FOR SMALL FUND

Finds That Soldiers are Greatly Comforted by Smokes—At the Hospitals

Rev. E. B. Hooper, writing from East Sandling Camp, under date of July 26, says:

"There are up to the present some four hospitals which I have to visit. In one of them I can do for you" and he sends a small fund of \$75. I have had to rent a bicycle, for which I have to pay 30 shillings a month. Many of the patients are without money and when, after visiting a man I say to him: I must be off now, is there anything I can do for you?" and he says, "Well, sir, if I could have some thing to smoke" (for smoking is permitted) what can I do but provide tobacco and cigarettes. When this occurs several times a day I feel it a very serious strain upon my own very well furnished pocket. A small fund of \$75 or \$100 to be used by the chaplain in connection with hospital work is very much needed, and I thought I would write to you with reference to it, being sure of your sympathy. Whether this meets with your approval or not I am certain that you will not resent my application for a form of application which is very much needed. The Morris Barracks Hospital at Shorncliffe, the Canadian Army Medical Corps Hospital, the Beran Hospital, these last two at Sandgate, and the Monks Horton Convalescent Hospital are the places which I at present visit regularly. When we go to the front and whether my work lies in hospital or in trench, the same need of comforts for the sick and wounded will be required. You may remember that I spoke of my conviction that I should have a chaplain's fund for just such things. I have found the need of it already and it costs me far more than I can possibly afford.

Our camp at East Sandling is all that can be desired. We are quarantined in huts, which, with the unsettled weather which has prevailed are much more comfortable than tents would be. My work interests me greatly. Outside of our lines there is a Church of England Soldiers' Club, one of a series of them throughout the military area, in which at the present time there are some 43,000 Canadian troops. In this club, to which all men are invited, and in which are writing tables and materials, games of all kinds, a piano, etc., etc. I hold a service every evening. These services are voluntary and well attended. On Sundays in addition to the church service for the whole brigade at 9 a. m., I have a Communion service, early in the morning in the little chapel attached to the club building, and also an evening service. My week days are occupied with hospital work. This is a very lovely country. All that I have seen of England since landing at Davenport looks like a beautiful garden park, save where towns and cities are.

TAX COLLECTIONS REMARKABLY GOOD

Only about \$5,000 left to be collected.

While the St. John assessment system may be sadly in need of revision, statistics from the Chamberlain's office indicate that in the matter of the collection of taxes St. John can look for little improvement.

The following statement of the tax collection for the year 1915 speaks for itself:

Taxes assessed, 1915 \$663,987

Discounts, etc., 35,724

Balance unpaid \$628,263

Relieved by assessors' left city, etc., 4,134

Balance \$624,129

Total amount paid to date \$ 618,672

Balance unpaid \$ 5,457

From these figures it will be seen that 93.3 per cent. of the total amount assessed was paid in full; discounts are represented by 4.3 per cent., 1.5 per cent. were relieved, are dead or have left the city, and .09 per cent. is still unpaid. Of the amount unpaid the greater part is uncollectable, so that the high percentage of amounts paid to the Chamberlain's office is an indication that the officials there are most efficient.

Embarassing Hairs Can be Quickly Removed

(Beauty Culture.)

Hairs can be easily banished from the skin by this quick, painless method: Mix into a stiff paste some powdered delatone and water, spread on hairy surface and in 2 or 3 minutes rub off, wash the skin and it will be free from hair or blemish. Excepting in very stubborn growths, one application is sufficient. To avoid disappointment, buy the delatone in an original package.

TOOK NEW SHOES FROM STORE IN MAIN STREET

Burglars Steal from Waterbury & Rising, Ltd., in the North End—Several Pairs of Boots Gone.

A daring burglary took place in the North End on Monday evening. The premises burglarized were Messrs. Waterbury & Rising's shoe store, Main street, and the perpetrators of the crime were two men, one described as being tall and the other short and stout. About eleven o'clock the family residing in the house above the store heard a noise in the yard below and came to the conclusion that the storekeeper next door was working rather late. As the sound continued an investigation was made and upon looking out of the window into the small court below two men as above described were seen helping themselves out of the shoe shop.

The man of the house immediately called the police. Upon crossing the street he encountered police officer Harry Linton and the two of them went to the scene of the burglary, going thither by way of an alley leading from Main street, but the thieves were gone when they arrived.

Subsequent search of the vicinity by the police failed to locate the burglars, the only trace of them being several footprints and three shoe cartons—two empty and one containing a pair of felt slippers.

The entry to the store was effected through a small window in the rear of the building, which is protected by an iron grating. The burglars stood on a packing case and forced open the small window and then reaching to the shelf above helped themselves to a number of boxes of shoes. The value of the goods stolen is not as yet known, but is not expected to exceed twenty dollars.

PATRIOTIC FAIR FOR OCTOBER

Daughters of the Empire Will Carry on Sale for the Funds.

The collection taken by the Daughters of the Empire at King Square and St. John's, on Wednesday evening last amounted to \$600.17, and has been contributed to the Patriotic Fund. The members of the different chapters are highly pleased with the result of their efforts and the generosity of the citizens.

But the big event is yet to come. The Daughters of the Empire will hold a fair and auction for a whole week—the first week in October. It will be made provincial in its scope. Produce, furniture—everything will be sought for and disposed of to swell the patriotic fund. All sorts of attractions will be provided. The assistance of a number of gentlemen will be sought in connection with the work of organization.

At a meeting of the Daughters of the Empire an executive of three from each chapter was formed, with Mrs. J. Boyle Travers as chairman; Mrs. A. W. Adams, vice-chairman; Mrs. Heber Vroom, secretary; Miss Helen Sidney-Smith, treasurer, and Miss Travers and Miss MacLaren publicity committee.

It is hoped with the co-operation of the citizens to make this fair an attraction for people from other parts of the province as well as our own. To raise a very substantial amount for the Patriotic Fund, which must receive large additions in the early future.

A "Red Hot" Campaign.

Captain H. A. Friesen and Lieut. T. B. Laurie, of the Salvation Army, have recently been appointed to the command of the Carleton Corps and have arranged a special campaign for the West Side. Services will be held in the Salvation Army hall, Rodney street daily, except on the 16th inst., until Monday, 23rd inst., and will be conducted by prominent officers, including besides those named, Captain Davis, William McLatchey, Major and Mrs. Coombs, Adjutant and Mrs. Green and Brigadier and Mrs. Taylor.
