INTERNAL BONSPIEL

ON ST. ANDREWS ICE

Evening—Rink Skipped by John White Won.

The curlers were out in full force at the internal bonspiel held in St. Andrew's curling rink Saturday afternoon and evening. Eighteen rinks took part, each rink playing two games of eight ends each. The ice was in fine condition and the "stones" were firing strong all the time. Number seven rink, skipped by John White, won out with a score of fourteen points over their opponents in the two games, but rink number ten, skipped by H. F. Rankine, gave them a run for the prizes, their score being twelve points over their opponents.

At the close of the evening play the winning rink, consisting of G. E. Barbour, A. E. Everett, J. H. Pritchard and John White, were presented with handsome Sterling silver cuff links. J. V. McLellan, chairman of the bonspiel committee, was also presented with a pipe for his able work on the committee. After the afternoon play a bounteous supper was served to about seventy-five curlers to fortify them for the night's curling.

The various rink's standing at the end of the afternoon and evening play was as follows:

CANADIENS' LEAD

DEFEATED TORONTO

Montreal, Feb. 3.—In a game that was free from roughness and too considered to be exciting, the Canadiens defeated Toronto in the last local game in the first half of the National Hockey League schedule at Jubilee rink here Saturday night by 11 to 7. The Canadiens thus secured their lead in the league for the half season, no matter what may be the result of Monday night's game in Toronto, and their backers express confidence that they will be this year's champions.

Toronto obtained their two goals in the first period, which, however, closed with the Frenchmen leading by two goals and thereafter the latter just went along plugging up the score with comparative ease. Toronto changed their forwards frequently in a vain effort to overcome their rival's increasing lead. In the second period, which seemed to realize that they were up against too stiff a proposition. Toronto were without the services of Noble, who had a disagreement with the club's management and was fined \$100. Canadiens played McDonald for the first time this season, he being on the wing and Malone at centre in place of Lalonde who did not play.

An epoch in the game in Toronto came in the second period, when some of the spectators called out for Hall to "get Skinner" and one man threw a bottle at Skinner from the gallery. The police at once took a hand in the affair and the disturbers were removed from the rink.
