DIGBY.

Digby, Nov. 20.—Fred P. Warner, son of Capt. C. T. Warner, of Plympton, Digby county, is a Republican candidate in ward XXI for Boston's common council.

Deputation for 1904, dealing particularly with how to help our teachers, how to increase attendance and the grading.

The evening session met at 8 o'clock, the devotional exercises being conducted by Rev. D. Henderson.

A very practical and helpful address on the Church's Duty Towards the S. S. Teachers, on selection, training and spiritual growth, was delivered by Rev. J. M. McLean, after which Rev. A. Lucas spoke for fifteen minutes on Digby Work, giving a very interesting account of his work through the country and the meetings held in the different parishes.

The next item on the programme was Our Boy Problem, which was very carefully prepared and read by Mrs. George Frazer. One by Mrs. Salter on Our Need of Boys, the other by Mrs. George

son, Digby county, who left for Yarmouth Wednesday.

Schooner Arthur, Capt. Seelye, was in port yesterday with whitefish from Newfoundland for Windsor. She sailed during the afternoon.

Schooner W. Parrell O'Hara, Capt. Wm. Snow, which discharged 50,000 pounds of mixed fish in the Raquette yesterday, left her main topmast during the present trip.

The ten-day voyage to be booming in Digby at present. Several candidates were initiated in the local lodge tonight and the attendance was far above the average.

Digby, Nov. 20.—A telegram received here last night announces the death of William Short, a former Digby man which occurred at his home in New York yesterday, aged 40 years. The deceased was a well-known druggist in that city. He is survived by a wife and two sons. He also leaves one brother, Benj. Short, of Vancouver, and one half-brother, H. B. Short, proprietor of the Digby boot and shoe store, and one sister, Miss Mary Short, of Digby.

The ten-day schooner Laura C. arrived here last night from Lunenburg via Westport, and was towed to Bear River this morning to be shipped by the West India, shipped by Clarke Bros.

Schr. R. B. Hardwick, Capt. Perry, is off Digby with wood and piling from the southeast breeze is causing quite a sea here today. The only shipping off Digby, however, is the B. B. Hardwick.

PASSBORO. Passboro, N. S., Nov. 20.—Darkness prevailed, but over Jordan, but over our streets and homes, except where snow have been with enough to keep their lamps in use at night. A hitch between our town council and electrical engineer is finally a success. Some of their jobs the council cannot manage the dynamo, hence the darkness.

A woodworker's factory is among the probabilities of the near future. The town council is willing to make concessions for the encouragement of such a factory and a company is spoken of as being willing to accept them. We feel the need of just such things to give employment to our laboring class.

HOW POULTRY RAISING CAN BE MADE SUCCESSFUL

The Dominion Government Has Established Brooding and Fattening Stations Throughout Canada.

Ottawa, Nov. 12.—The dominion department of agriculture has in operation in Canada three poultry brooding stations, three chicken fattening stations, and ten chicken fattening stations—sixteen in all.

The poultry brooding stations are located at Holmesville and Bowmanville (Ont.), and Bonville (Que.) At each of these stations a modern poultry house is erected and about 100 utility-type barred Plymouth Rock hens are kept. At Holmesville and Bowmanville double broiler chickens are built. There are also ten brooding pens of barred utility-type hens and ten brooding pens of barred utility-type hens.

The chicken fattening stations are located at Chatham (Que.), and are generally built on a scale of 100 to 200 birds. The most satisfactory method of fattening and brooding chickens is to use the utility-type barred Plymouth Rock. The house and brooder are built in a simple and sturdy manner. The brooder is built of 2x4's and is provided with 500 to 600 chickens a year.

Could Not Lie On Her Left Side. WAS TROUBLED WITH PAIN IN HER HEAD FOR SIX YEARS. Expected Her Friends Would Find Her Dead.

Mrs. C. Beaudreau, Campbellton, N.B., was completely cured by MILBURN'S Head and Nerve Pills. She tells of her experience in the following letter: "I was troubled with a pain in my head and weakness for six years. Most of the time I could not lie on my left side. I consulted a doctor but got no relief and was completely discouraged. I did not think I would live long and expected my friends would find me dead. A friend brought me a box of Milburn's Head and Nerve Pills and I took them to please her, not thinking they would do me any good. I had not used the box when I commenced to feel myself getting better and by the time I had taken two boxes I was completely cured and can recommend them to all sufferers from heart trouble."
