THE

ILLUSTRATED LIBRARY

POETRY AND SONG!

Edited by

DR. J. G. HOLLAND,

Author of "Kathrina," "Bitter Sweet," etc.

A FAVORITE SONG is a royal octave volume of over 700 pages, printed in the best style of the art, on the finest tinted paper, and illustrated with 125 thoroughly dainty and delicate engravings, FROM ORIGINAL DESIGNS, by the most eminent artists, together with fac similies of the original autograph copies of (20) famous poems.

The illustrations are numerous and exquisitely wrought. What can be more beautiful than the one which reflects the enchanting spot where—

"Maud Muller, on a summer's day,
Raked the meadows sweet with hay;"

One of those lovely New England landscapes, which the engraver has represented in outlines as beautiful and artistic as the song it adorns.

Coppingers, the, for its rare beauty, is the illustration accompanying the "Song of the Brook," where the streamlet, dashing beneath the rustic bridge, goes chattering

"Over stony ways,
In little sharps and trebles."

"Till lost by Philip's farm it flows,
To join the brimming river."

Altogether, this is one of the most charming and elegant books ever issued by the American press—a fitting gift for lover or friend; an attractive ornament for the parlor table; a valuable addition to any family library.
