

SEC. 7.—Beside the assessments mentioned in the previous section, there shall be in each year one assessment made and called for from all members, the receipts from which shall be placed to the credit of the reserve fund.

ARTICLE 10.—FUNDS.

SEC. 1.—The management funds of the Society shall be composed of the fees derived from applications for membership, the registration fee, and the annual fee of one dollar from each member, which fee shall be payable on or before the first day of October in each year, and shall be applied in payment of medical examiners, officers and special agents' fees, and office expenditures of Secretary and Treasurer.

SEC. 2.—The death benefit fund shall be composed of the receipts from assessments made to pay death claims as they take place, and all death benefits must be paid out of same except as hereinafter provided.

SEC. 3.—The reserve fund shall be composed of the sums derived from the special assessment mentioned in Section 7 of Article 9 of this Constitution, and interest thereon, and an amount equal to five per cent. from each and every assessment. When the Executive think that the reserve fund is sufficient to warrant them in making provision for death benefits out of the same without affecting the stability of the Society, they may dispense with making a call for one or more assessments and pay the same out of the reserve fund.

ARTICLE 11.—AUDITORS.

Two auditors shall be appointed annually, one by the President and one by the R. W. the Provincial Grand Orange Lodge of Ontario West, who shall audit the books of the Society and make their report thereon not later than the 15th of January in each year. They shall be paid for their services such sums as shall be agreed upon by the Executive and themselves.

ARTICLE 12.—SEAL.

A seal shall be procured of a design selected and approved by the Executive, which shall be attached to all certificates of membership or other official documents, save and except the notices of assessments. The design of the seal shall be registered.

ARTICLE 13.—MEDICAL OFFICERS.

SEC. 1.—A Medical Officer shall be nominated by the District Master for each District, upon the request of the Master of a Primary Lodge or the agent for such District, and in case that the District Master has not so appointed, or where it may be necessary that additional examiners are required, the agent shall have all the powers of the District Master in so appointing a Medical Officer or Officers, and such appointment shall be subject to the approval of the President, and shall, whenever possible or advisable, be a member in good standing of the Loyal Orange Association. He shall in all cases be a regularly qualified practitioner.
