

OF KNOX CHURCH

9

Your Committee acknowledge, with thanks, the very liberal donation of \$500.00 from the Ladies' Aid Society, also \$594.23 from the Sabbath School, all of which has been applied to paying for the repairs and improvements already mentioned.

The congregation will be asked to elect three Managers in room of Messrs. James Kilgour, David Brown and Colin Arthur, who retire by rotation, but who are all eligible for re-election. Mr. John Edmonstone having sent in his resignation, owing to his inability to attend the meetings of the Committee, your Committee reluctantly accepted it, and, it will therefore be necessary to elect another to fill his place, to serve for one year.

In conclusion your Committee express the hope that God's blessing may continue to follow their labors, and being in possession of a comfortable and beautified church, as well as a commodious sabbath school and lecture room, we may, as pastor and people, be enabled to work together in harmony for the great object for which His church has been established.

All of which is respectfully submitted,

JOHN A. MOFFAT,

Secretary.

J. G. MCINTYRE,

Chairman.
