Empire was bestowed upon Samuel

Nigeria, Wm W. Brew of the Gold
Coast was given M.B.E., Paul Azu, of

ions of Imperial Service Order.

—From the August Crisis

4th Annual Picnic of the C.L.A.C.P.

On the 4th of August the local
branch of the Canadian League for
the Advancement of Colored People
held the most successful outing of the
League's career at Springbank Park.
There were more than 300 people pre-
sents. There were visitors from all
points in Western Ontario as well
as from many points in the U.S. The
lady members of the League came
with well-filled baskets and when the
two long tables were spread they re-
sembled the tables in a banquet hall.
There was enough for all and even
more. More than \$180.00 was distrib-
uted in valuable prizes and competi-
tion was extremely keen in all of the
events. Soft drinks, ice cream, candy
and Krackley nut was served free
throughout the day. It was indeed
inspiring to see such a large gather-
ing of people, to observe the splen-
did spirit which existed. Too much
praise cannot be given to the com-
mittee for the splendid and thorough
manner in which they did their work,
for it is such successes as this out-
ing was that unite our people under
one bond.
