SDC CONDEMNS STUDENT CONDUCT

In an emergency meeting last night the Student Disciplinary Committee condemned the student behavior exhibited at the *Red 'n' Black Party*, November 25th, 1961, at the Flame Restaurant.

On Tuesday November 28th, the Red 'n' Black Executive organized a meet-

ing at which the cast and crew voted in favour of a self-imposed levy of one dollar per person in order to meet the costs of the \$165.00 in damages.

Upon closer inspection of the Flame incident student infractions of a more serious nature were revealed. In the light of this new

evidence, and at the suggestion of the administration, the SDC decided to apprehend the more serious offenders.

Because of the difficulty in isolating specific offenders and in establishing concrete evidence the SDC will deal with only those cases in which definite

misdemeanors had been observed.

Some charges that were laid did not correspond with this decision and were dropped.

Those charges that did agree with this decision were dealt with and several others are pending further investigation.
