Why did Mrs. Jean McCormick Buy a Piece of Canada from Whiterock Estates?

"For a RETIREMENT HOME, I've lived in the big city all my life, with all its noise, crowds, hustle and bustle. I've always dreamed of a quiet, peaceful country home when I retired, but never thought I'd be able to afford one. Never, that is, until Whiterock Estates made it so reasonable, so easy and so convenient for me."

You too can **OWN A PIECE OF CANADA**
