National Steel Car Corporation, Limited

307A ST. JAMES STREET

ROBERT J. MAGOR
PRESIDENT

MONTREAL

July 23rd, 1926.

Rt. Hon. Arthur Meighen,
Prime Minister,
OTTAWA. Canada.

My dear Mr. Meighen:

This is simply to advise you that in accordance with my promise, upon my return to Montreal, I went into the Morgan matter, and although I did not see Sen. Blondin, as it turned out it was not necessary to do so, as I was in touch with Mr. Morgan personally, I have agreed to all that he asked for.

So that, if this matter should come up again in any way, you can advise him, or Sen. Blondin, that I have complied with the requests which they asked you take up with me.

With personal regards,

I remain,

Yours very sincerely,

President.
