Nicholas Murray Butler, Esq.,
President of Columbia University,
New York, N.Y.

Dear Mr. Butler:

Many thanks indeed for sending me
a copy of your book "Building the American Nation.
I haven't yet had an opportunity of reading it as
our session has just closed and I am still faced
with the task of cleaning up a heavy arrears of
correspondence. I intend at the first leisure
moment to go through the book, and I am sure I
will find it most interesting.

Yours very truly,
