The Mail and Empire
TORONTO, CANADA

August 3, 1926.

Right Honorable Arthur Meighen,
Prime Minister,
Timmins, Ontario.

Dear Mr. Meighen:

I consulted my brother regarding the matter we were discussing at the King Edward Hotel yesterday and am glad to tell you that Mr. Guy Morton has been assigned to cover your trip to the Coast.

My brother sends along the request that Mr. Morton be introduced as frequently as possible as the representative of the Mail and Empire. If this can be looked after it would be appreciated.

If Morton can be reached by Long Distance, he will tell you of his assignment to-night.

Sincerely yours,

THE MAIL PRINTING COMPANY

H. A. Langford
Vice President.
