

on the 11th November 1885 and request was then made for information as to the action, if any, taken in regard to the matter, and the attention of the Crown Lands Dept. was called to the fact that the Island in question was sold by them apparently to Mr. Lepore as containing 8 acres & roads, 29 perches; whereas by Mr. Maclellan's survey, of record in this Department, it contained 12 acres, no roads, 31 perches; and the Dept. of Crown Lands was requested to explain the discrepancy.

I shall again write at once to the Assistant Commr. of Crown Lands and call his attention to
the
