

In previous trial of this accused, I commented
on long cross-ex. (pp 29 to 61) of
accused by prosecutor, without much result,
of what amounted, at best, to plea in
mitigation

Here there was a different breach. Hence
reference by prosecutor to "the last time I
was talking to you" would probably refer
to previous offence(s): p. 17x But
the accused made a somewhat similar
reference: pp 13, 19x

So, while the prosecutor acted with
bad grace, it is considered that no
comment should be made
