

A reduction of 10 per cent. is made for two sisters.

An entrance fee of \$10.00 is charged for boarders, to provide plate and linen.

**ALL FEES ARE PAYABLE IN ADVANCE.** No reduction is made for illness of less than a month, and then only for serious and prolonged illness, when the loss is equally shared by the parents and the school.

**A MONTH'S NOTICE IS REQUIRED OF THE REMOVAL OF A PUPIL; IN DEFAULT OF THIS, A MONTH'S FEES WILL BE CHARGED.**

Girls living at a distance may dine regularly at the school and during bad weather may remain to dinner, if notice of this intention be given when they arrive in the morning. By special arrangement day girls may join the boarders in their walks, and may remain for preparation under supervision.
