Prize Holsteins for Sale.

About disposing of my farm, I offer for sale my entire herd of Holstein Cattle. This is the finest herd in Canada, having for the last three years won more money prizes, more gold and silver medals, and more diplomas than was ever won by any herd of any breed at same number of exhibitions in this province. At the Industrial in Toronto last fall, with an American expert as judge, we practically swept the ring, taking first for aged bull, sweepstakes for best bull of any age, first for yearling bull, first, second and third for cows, and first herd prize for best bull and four females. (Breeder will understand what that means.) Whether the herd is sold or not, it will not be exhibited this year. Small breeders will therefore have a chance to get what they have never been able to do since I have exhibited a share of the principal prizes.
