PIANOS AND ORGANS

Built to Last a Lifetime by the
 Largest Makers of Pianos and Organs in Canada.

The Bell Organ & Piano Co., Ltd.,
GUELPH, ONT.

The Most Durable Statuary
 for outdoor display is that made of sheet zinc or copper.
 In view of the intention of many towns and cities in Canada to erect a statue in loving memory of the late Queen Victoria, we are ready to submit prices and designs upon request.
 Our facilities enable us to turn out the highest grade of workmanship.
 Skilled artisans and draftsmen are alone employed, each individual being an authority in his line.
 Our embossed steel ceiling and wall panels for church interiors lend a degree of beauty to their surroundings which cannot be obtained by any other decoration.
 They can be placed in position over plaster, or can be attached to the joist of new buildings.
 The cost does not exceed that of good plaster or wood ceiling.
 Our catalogue of 220 pages will be sent to contractors, architects and other responsible individuals on demand.

OUR IDEAL SKIM-MILK WEIGHER

Is constructed on this principle. It is the only machine for the distribution of skim milk that is. The large number of these weighers in use testifies more strongly than our words to their popularity. **YOU DO NOT RUN ANY RISK** in giving our weigher a trial. We allow you to use it thirty days before paying for it. If not satisfactory, you send it back. Perfectly fair, isn't it? **BETTER PUT IN YOUR ORDER NOW.**
