comparison with any. We reserve nothing; 45

head of both sexes, all ages, for sale.

James Bowes, Strathclair P. O., Meaford, Ont.

that dim, solemn, quiet with startling blows. On either side the balsams and spruces, with their mantles of snow, stood like white-swathed sentinels on guard—silent, motionless, alert. Hughie looked to see them move as the team drove past.

As they left the more open butter-nut ridge and descended into the depths of the big pine swamp, the dim light faded into deeper gloom, and Hughie felt as if he were in church, and an awe gathered upon him.

"It's awful still," he said to Billy Jack in a low tone, and Billy Jack, catching the look in the boy's face, checked the light word upon his lips, and gazed around into the deep forest glooms with new eyes. The mystery and wonder of the forest had never struck him before. It had hitherto been to him a place for hunting or for getting big saw-logs. But to-day he saw it with Hughie's eyes, and felt the majesty of its beauty and silence. For a long time they drove without a word.

"Say, it's mighty fine, isn't it?"

he said, adopting Hughie's low tone.

"Splendid!" exclaimed Hughie.

"My! I could just hug those big trees. They look at me like—like

your mother, don't they, or mine?"

But this was beyond Billy Jack.

"Like my mother?"

"Yes, you know, quiet and—and—

kind, and nice."

"Yes," said Thomas, breaking in

for the first time, "that's just it.

They do look, sure enough, like my

mother and yours. They have both

got that look."

"Git-up!" said Billy Jack to his

team. "These fellows'll be ketch-

in' something bad if we don't get in-

to the open soon. Shouldn't wonder

if they've got 'em already, making

out their mothers like an old

white pine. Git-up, I say!"

"Oh, pshaw!" said Hughie, "you

know what I mean."

"Not much I don't. But it don't

matter so long as you're feelin' all

right. This swamp's rather bad for

the groojums."

"What?" Hughie's eyes began to

open wide as he glanced into the

forest.

"The groojums. Never heard of

them things? They ketch a fellow

in places like this when it's gettin'

on towards midnight, and about day-

light it's almost as bad."

"What are they like?" asked

Hughie, upon whom the spell of the

forest lay.

"Oh, mighty queer. Always crawl

up on your back, and ye can't help

twistin' round."

Hughie glanced at Thomas, and

was at once relieved.

"Oh, pshaw! Billy Jack, you

can't fool me. I know you."

"I guess you're safe enough now.

They don't bother you much in the

clearing," said Billy Jack, encourag-

ingly.

"Oh, fiddle! I'm not afraid."

"Nobody is in the open, and espe-

cially in the daytime."

"Oh, I don't care for your old

groojums."

"Guess you care more for your new

boss yonder, eh?" said Billy Jack,

nodding toward the school-house,

which now came into view.

"Oh," said Hughie with a groan,

"I just hate going to-day."

"You'll be all right when you get

there," said Billy Jack, cheerfully.

"It's like goin' in swimmin'."

Soon they were at the cross-roads.

"Good-bye, Billy-Jack," said Hugh-

ie, feeling as if he had been on a

long, long visit. "I've had an

awfully good time, and I'd like to go

back with you."

"Wish you would," said Billy

Jack, heartily. "Come again soon.

And don't carry out the master to-

day. It looks like a storm; he

might get cold."

"He had better mind out, then,"

cried Hughie after Billy Jack, and

set off with Thomas for the school.

But neither Hughie nor Thomas had

any idea of the thrilling experiences

awaiting them in the Twentieth

School before the week was done.

(To be continued.)

The Bad Cold of To-Day

MAY BE PNEUMONIA
TO-MORROW.

The sore throat or tickling cough that, to the careless, seems but a trivial annoyance, may develop into Pneumonia, Bronchitis, or some Throat or Lung trouble.

DR. WOODS NORWAY PINE SYRUP

contains all the lung-healing virtues of the pine tree, and is a sure cure for Coughs, Colds and all Throat or Lung troubles. Mrs. E. Hutchinson, 186 Argyle Street, Toronto, writes: "I have been a sufferer from Chronic Bronchitis for years and have found Dr. Wood's Norway Pine Syrup far better than any of the hundreds of remedies I have used. Our whole family uses it in cases of Coughs or Colds. We would not be without it."

Don't be humbugged into taking something "just as good," ask for Dr. Wood's and insist on getting it. Put up in yellow wrapper, three pine trees is the trade mark and price 25 cents.

SHORTHORNS FOR SALE

For young bulls, including 22-months son of Mayflower 3rd, champion female at Winnipeg and Toronto, 1904; also a few good heifers of same family. Primrose Day (imp.) at head of herd.
