How to Please One's Readers

This is the pleasing problem continually con-
fronting the makers of journals. The newspaper
manager or editor who says "This paper is as good
as it is possible to be," will never please his readers.
To say that the journal can yet be improved is the
way to win the further esteem of old readers and
the patronage of new. That is one more reason for
the success of the Monetary Times.

A JOURNAL OF CANADA IN THE 20TH CENTURY

Every mail brings in new readers. The
Monetary Times is constantly improving. Its
efforts are to serve the interests of its large reading
public. If it does not please you personally, drop
a line and tell us why.

A Healthy Sign

in the life of any publication is First: the
condition of its subscription list; Second:
its class of advertisers. The Commercial
has never enjoyed a more prosperous period
than the present—particularly in the matter of
new subscribers. The reason is not far to seek.

This journal's paid circulation is larger
than that of any weekly trade newspaper in
Canada, and in the middle and Western
Canada its circulation is larger than the
combined circulation of all other trade news-
papers.

Advertisers in the Commercial get
RESULTS. If you want business from
